Sun Awarded First Place National Honor

The Sun has again been honored by being chosen first among all daily and weekly newspapers in the United States for "Newspaper Promotion and Community Relations."

For the second consecutive year, The Sun has taken this first place award in the National Editorial Association competition.

The award was presented by Governor G. Mennen Williams of Michigan, Wednesday, July 9, at the convention banquet at the Hotel Statler in Detroit.

THIS IS IN addition to the other awards won by The Sun this year, including first place in "Outstanding Community Service" for all daily and weekly newspapers throughout California; second place in "General Excellence" for weekly newspapers throughout the state; and first place for "Best newspaper promotion and community relations throughout the state."

The Sun was the only Bay Area weekly to win a first place award.

In announcing the top award for The Sun, the judges stated that The Sun "presented a fine example of what a newspaper can do on a year-around basis."

THE COMPETITION for the top award was stiff, with second place being captured by The Oswego (New York) Gazette, and third place going to Eureka (Calif.) newspapers.

Honorable mention was given to New York, Florida, and San Bernardino, Calif., newspapers. Most of these papers are dailies.

The judges commended The Sun and the other winners for the excellent work done in promoting the newspapers and community relationships, and suggested that other newspapers throughout the country could learn from them.

Commenting on the latest honor Sun Publisher Herman Silverman said: "The Sun staff thanks the many organizations and individuals in the community who have helped to make this award possible.

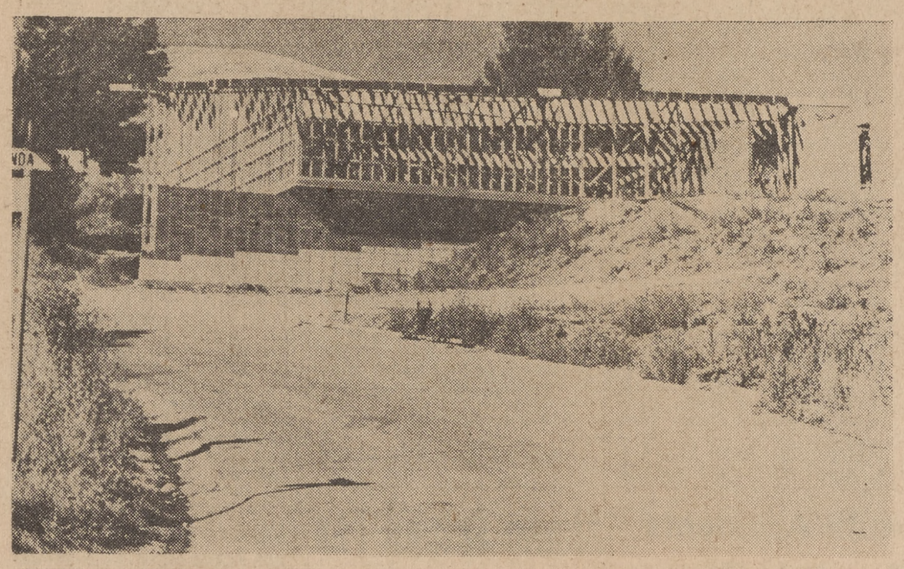
"WE CERTAINLY could not have done it without the wholehearted cooperation we have received from all concerned. Thus was it possible for The Sun to fill a significant role in the community.

"Although the award was presented to The Sun, it is really a tribute to the entire community."

Edgar S. Bayol, executive vice president of the National Editorial Association, commented: "The selection of The Sun for this high award is indeed an honor, since the judges this year were confronted with the greatest number of entries ever received in an NEA competition."

"AND THEY CAME from every state in the Union and from Hawaii."

Co-chairmen of the contest were Earl W. Causey of the Star City (Ark.) Lincoln Ledger and Howard Grossman, Salem (Ind.) Republican Leader.



WORK IS PROGRESSING rapidly on the new Orinda Library, with the building scheduled for completion in early October. With furnishings, it will cost about $114,000. The drive for funds to complete furnishings is continuing. Perc Brown, Orinda Library Board president, said between $8000 and $10,000 will be needed. —Sun photo by Dave Ogden

Orinda Road Repair Bids Are Due

Campaign Expenses Listed; Several Exceed 5 Figures

District Attorney - elect John Nejedly submitted an official report to the county clerk which indicates that he spent $12,535 in his successful campaign to unseat incumbent District-Attorney Francis Collins.

Nejedly defeated Collins, a Pinole resident, in the June 3 primary. He will take office in January.

The report showed that Nejedly received $3935 including $2925 from the sale of dinner tickets and the remainder came from 33 contributions of $2 to $150 each.

COLLINS reported that he spent $6417, including $1300 contributions from members of his family.

Other expenses were listed as follows:

Sheriff Harry Brown, incumbent, $2510; Walter Young, who qualified with Brown for the November runoff election, $10,253; Charles Myhre, $1201; Ronald Orin, $3181; and Ray Stoeffels, $1417.

Superior Court Judge incumbent Thomas Fraga, $9222; unsuccessful competitor Thomas F. McBride, no statement.

ASSESSOR, C. Dunklee, re-elected, $6165; Oscar Johnson, $804; Ernest J. Marchi, $2774; Warren R. Lamb, no statement.

County Supervisor, Third District, Ray S. Taylor, incumbent, $2219; Thomas J. Coll, $1397; William D. Goheen, $640; William McIntosh, $2201.

Taylor and Coll will be opposed for the office in November.

Sixth District congressman, incumbent John F. Baldwin, $7775; Howard Jewell, $4111.

TENTH DISTRICT assembly, Samuel Conti, $10,199; Jerome Waldie, $2311.

Assemblyman, 11th District, S. C. Masterson, incumbent, $1657; William Hoffman, $1887.

In the Walnut Creek Judicial Court race, Mrs. Betsy FitzGerald Rahn reported that she and her supporters spent $1605, and C. Terence Ring spent $1311. They will be opposed in November.

Superintendent of Schools candidates' expenses were as follows: Dr. Lewis Ferrari of Pittsburg, $1759; Ralph Harris of Sheldon, $1636; Harold Kaar, $3462; Floyd Marchus, $2556; William Reed of Antioch, $914.

Harris and Marchus top the list and will be opposed in November.

Candidates are not required by law to file financial statements, but the successful candidate who fails to do so is prohibited from taking office, according to James Olsson of the election office.

Chamber Board Suggests Poll On Local Needs

A survey to determine what new businesses Orinda residents would like to have locate here may be undertaken by the Orinda Chamber of Commerce.

Members of the chamber board of directors, meeting Tuesday at Casa Orinda, discussed such a survey, but postponed a decision on whether the chamber will undertake the project until the next meeting.

A suggestion that the poll be taken was made by John Ogden, chamber president.

Irving Leiber pointed out that results of such a poll would be valuable, and that it would be inexpensive to send out cards.

"Information as to what new businesses Orindans would like to have locate here could be used to inform merchants interested in this area, and could be given publicity through newspapers," Ogden said.

Ramsay Underwood suggested that a questionnaire on what new businesses Orindans want be sent out with copies of the chamber's new directory of businesses.

Cost of the project and wording of the questionnaire are to be considered before the next directors' meeting.

Underwood led a discussion on proposed rezoning of the area across from the Willows from residential to multiple dwelling. He noted that the Orinda Association has already approved the change.

The chamber board voted its approval, and to so inform the planning commission.

More apartments are needed in Orinda, Ogden said.

He reported that on the agenda for the next session will be a discussion of use of sidewalks by merchants for storage of cartons and other purposes.

Clarence Betz, secretary, read a financial report which is to sent to all directors and considered in detail at the next meeting.

Betz reported that the chamber is now registered with the federal government as a non-profit organization, and that donations to it are deductible for income tax purposes.

Baldwin Asks Elimination Of Pool Tax

Congressman John Baldwin has filed a statement with the U. S. Senate Finance Committee urging passage of Section 132c of H. R. 7125. This clause would eliminate the 20 per cent federal excise tax on non-profit community swimming pools.

His letter was submitted for consideration during the committee hearings held Tuesday and Wednesday.

He said that he has been contacted by representatives of swimming pool groups in his Sixth District, including the Moraga Valley Swimming Pool Group, Las Trampas Swimming Pool, Lafayette; Meadow Pool, Orinda and Holbrook Heights Swimming Pool, Concord.

BALDWIN'S letter was as follows:

"I should like to urge favorable action by your Committee on Section 132 (c) in H. R. 7125, the Federal excise tax bill, which you now have under consideration.

"This section would eliminate the 20% Federal excise tax on non-profit community swimming pools.

"My district includes two Counties, Contra Costa and Solano. In central Contra Costa County alone, there are twenty community swimming pools serving 4130 families, or about 17,000 or 18,000 individuals.

"IF SECTION 132 (c) is not enacted, assessment of the 20 per cent tax against these swimming pool groups will render most of these pools insolvent and jeopardize their continuation as non-profit neighborhood groups.

"These swimming pool groups are all non-profit groups, and it seems to me most unjust and inequitable for such a 20 per cent dues tax to be levied against them.

"The application of this 20 per cent tax on dues and on initiation fees to this type of non-profit organization is unjustified and extremely harmful. It seems to me that Congress should stimulate such healthy and worthwhile recreation, rather than penalizing and burdening it with a 20 per cent tax.

"I should therefore like to urge that your Committee take favorable action on Section 132 (c) of H. R. 7125, and that you approve this Section and enact it into law during the current session of Congress."

Cunningham Hearing is September 16

A preliminary hearing on charges of assault with a deadly weapon filed against Orinda television executive Norman Cunningham, 36, was continued this week until September 16 by Port Chicago Judicial District Judge Otto Lichti.

The request for a continuance was made by Cunningham's attorney, who said that the material witness is not a available at this time.

Cunningham was charged with the felony, which carries a five to 10 year prison sentence on conviction, after his wife, Elizabeth, 34, was found severely beaten about the head and face on a lonely road in the Berkeley Hills.

The couple had been in San Francisco for the evening, attending a musical and visiting the North Beach. According to Detective Louis Skuce, both had been drinking, and he said Cunningham didn't remember driving back.

Cunningham took a wrong turn, and they found themselves on Fish Ranch Road in the Berkeley Hills when a tire went flat.

In an ensuing argument, Cunningham is alleged to have struck his wife with a homemade relay track baton, made of galvanized metal, which had been left in the car.

Cunningham at first said that a third person had struck him and then beat his wife, but withdrew his story after testimony of a sailor, James Mindard, who is presently on sea duty.

Mrs. Cunningham was questioned later at Peralta Hospital, in Oakland, where she was taken but she declined to file charges against her husband.

The complaint was signed by Skuce. The case is being conducted by Deputy District Attorney Rudd Sellar, who did not object to the two-month continuance.

Mrs. Cunningham is the former Elizabeth Stewart, granddaughter of General David Prescott Barrows, former president of the University of California.

She is the daughter of Colonel Floyd Wayne Stewart of Sacramento and Mrs. Stewart of Lafayette.

Cunningham is an executive of television station KTVU, Oakland. The Cunninghams, and their three children, reside at No. 8, Overhill Road, Orinda.

BREAKING GROUND for the new $325,000 sanctuary of the Orinda Community Church on a site adjoining the present chapel is Everett Howe, chairman of the building committee. At left is the Rev. Mr. Chauncey E. Blossom, church pastor.

Normandy Lane, La Espiral to Be Major Jobs

Flood-damaged Normandy Lane and La Espiral in Orinda will be repaired this summer under a joint contract, Supervisor Mel Nielsen announced this week.

Estimated cost of the work is $43,000. Advertisement for bids has been made, and the bids will be opened on August 5.

CONSTRUCTION was delayed until the summer because, "... the ground remained saturated for such a long time after the severe storms of last spring," said Nielsen.

"With the soil in this condition, there is danger of precipitating new slides when earth moving begins," he added.

He said that each road had a slide which destroyed the entire roadbed and did considerable damage to the embankments above and below the roads.

Both roads will be repaired under the same contract for economy. They are near to each other, making this possible.

SEVERAL meetings were held between county representatives and area property owners, and the problems of the slides were discussed in detail.

A soil investigation has been performed by the county's materials laboratory staff, and additional information was provided by Woodward, Clyde, Sherard and Associates, soil consulting engineers.

Nielson concluded: "The final design incorporates features that will provide a workable solution for the problems of the local property owners and the county."

Learn To Swim Classes Open At Acalanes Pool

Although about 400 youngsters a day are now taking part in the Lafayette Youth Associatoin swim program at Acalanes High School pool, there's still room for more.

Bob Sherman, director of the activity, said all youngsters who are 44 inches tall or more are eligible to take part in non-swimmer to advanced swimmer courses—and, in addition, have a chance to make the Lafayette swimming team.

Classes are held from 9:25 a.m. to noon Tuesdays through Saturdays, with 35-minute lessons for each participant. Registration may be made any class day at the pool. Registration fee for a 10-day session is $3.

The third session, now under way, will end July 26. The fourth session will run from July 29 to August 9; the fifth session from August 12 to August 23. Youngsters will be accepted for any session, Sherman said.

In addition, there will be adult swim classes and life saving classes beginning July 29 or August 12 if enough interest is shown, he noted.

The swimming team now being formed will have dual meets against community pools and country club swim teams.

Those now on the swimming team are David Ford, Judy Betague, Rick Bowles, Philip Simon, Pat MacPherson, Tom MacPherson, Bob Bowles, Steven Bowles, Jim Nelmes, Donna Isola, Gordon Ward, Jerry Stege, Cooper Barnett, Ricky LaFrance, George Higgens, Ricky Sullivan, Cindy Murphy and Liz Bomba.

Residents Won't Vote on Zoning In Burton Area

Supervisor Mel Nielsen does not plan to conduct a vote among residents of the Burton area as to whether they favor or oppose a proposed shopping center there.

"I am not going to conduct such a poll," Nielsen told The Sun when asked when it might be taken. "It's The Sun's idea, not mine. Let The Sun get the answers."

The Sun had suggested editorially that such a poll could be made at regular voting booths, a plan followed by Nielsen in Happy Valley on a zoning question in that area.

The suggestion was made after Nielsen had declared he was not certain how he will vote when the Burton rezoning comes before the board of supervisors next winter or early spring.

Protests By Residents Delays Rezoning Action

Protests from residents of the nearby areas brought postponement of a request to rezone four acres of Orinda property from single family to multiple residence.

The Contra Costa County Planning Commission put off a decision on property across from Orinda Willows Restaurant so that commissioners can inspect the property July 25 and make a ruling possible by July 29.

The request for rezoning was made by D. R. Underwood. Those protesting such action included Jack Haley, Carl Miller, William Hoffman, and Albert Woods.

"If members of the planning commission come out here and see the situation they certainly won't approve an apartment house in this area," Mrs. Miller, of 90 Brookwood Road, told the Sun.

"The street is too narrow for the traffic it carries now, and erection of an apartment house would make congestion even worse.

"It's disgraceful that the Orinda Association and chamber of commerce approved the proposed rezoning. They don't seem to care what is built over here."

Approved by the planning commission was a proposed subdivision of 9.87 acres at Valley Drive and Heather Drive in Orinda, requested by Kenneth A. Brown.

Sauer Answers Questions Asked By Taxpayer Group

County Public Works Director Victor W. Sauer yesterday answered questions put to him recently by the Contra Costa County Taxpayers Association.

In a report to the Board of Supervisors Sauer said that "the road program has not had an equitable and necessary share of funds," and that his department "has made consistent progress" in recent years.

There are 319 employees on the present public works staff, Sauer declared, as compared with 349 in 1953, and there are 20 engineering and technical vacancies.

Highlights from Sauer's 13-page report follow:

"Planning of new county roads is being done by Contra Costa County comparable to planning work of many other counties presently carrying on comprehensive road studies.

"We believe discussion of a road bond issue premature. Late this fall a city-county-state road study will be available."

A comparison of road and other costs faced by property owners was illustrated by Sauer with the following example:

"If you live in Contra Costa County, and your home is assessed at $4,000, and all the funds budgeted for county roads in 1957-58, amounting to $5,951,402 were collected through property taxes, on the assessed valuation of $703,934,760, you would have paid $33.81 for your share of the county road program during the fiscal year 1957-58.

But you do spend on the average of $351 per year for gas, electricity, water, telephone, sewer and garbage collection for your home. These are service costs. And you do pay $355.85 per year for school, special district and general county taxes."

Rotarians Hear Treasurer Talk

The huge scope of California's financial operations were indicated Wednesday at a meeting of the Orinda Rotary Club at El Nido Rancho.

Button said that from $300,000 to $400,000 usually is on hand in the state treasury because spending lags behind revenue collections.

"Investment of those idle funds in the past 12 months has earned over $16,000,000," Button said. "That is about $5,000,000 more than was earned on equivalent amounts available for investment in the same period of the previous fiscal year."

California is the world's second largest borrower of funds, Button said, and is exceeded only by the United States itself.

Button was introduced by Joseph Duffel, club president.

The speaker at next Wednesday's luncheon will be Ed Rutledge, past district governor.

Trace of Rain Falls in Orinda

A trace of rain fell in Orinda Tuesday, when .01 of an inch was recorded, and overcast skies zoomed maximum temperatures downward from a July 10 high of 98 to 66 Wednesday.

High and low temperatures for the past seven days were:

	High	Low
July 10	98	50
July 11	91	50
July 13	90	49
July 14	67	52
July 15	62	55
July 16	66	56

Fire Damages Historic Adobe

The historic Moraga Adobe was damaged by fire Saturday afternoon.

Action by Moraga and Orinda fire departments prevented the blaze from spreading beyond parts of the attic and roof.

Answering the alarm were 33 men and six pieces of equipment. Hose was laid for 1,700 feet up the side of a hill to reach the structure, at 24 Adobe Lane. It is occupied by Mr. and Mrs. W. T. White, Jr.

Constructed in 1841 by Don Joaquin Moraga and Don Juan Bernal, the building was restored in 1941.

Is Burglarized

A burglary in which $80 was taken from Lafayette Pharmacy on Mt. Diablo Boulevard has been reported to the sheriff's office.

Lost Valley Building Up

Lost Valley is being "found" by more and more home builders.

"Within the past two months construction on 10 new homes either has already gotten under way or will soon begin," said Mrs. Wilbur E. Koehler, president of Lost Valley Community Association.

"Last year the Orinda Sun printed a news item declaring that Lost Valley would be the next part of Orinda to have a building boom. Boom it finally did."

Average quality of these homes is better than standard, Mrs. Kohler said. Until this year only three new homes had been built in a four-year period in Lost Valley, she pointed out.

Residents of Lost Valley are planning a potluck dinner Sunday and a community pool is being considered.

Burglar Sneaks Through Screen

Sheriff's officers are looking for a screen-slitting burglar who robbed an Orinda couple's bedroom while they slept.

Kenneth Gibson, 521 Camino Pablo, said that Sunday night someone cut the window screen of his bedroom, and climbed out with Gibson's trousers, wallet and watch, and his wife's pocketbook.

The loss included $170 in cash.

'Antigone' is July 31 Fare

Sophocles' "Antigone," the Greek tragedy, will be given the "semi-classical treatment" by the Pleasant Hill Summer School Speech Arts Workshop on July 31.

Director W. Grant Gray, instructor of the workshop, will put his cast of four men and 14 women through final dress rehearsals Tuesday and Wednesday of production week.

THE CAST includes Michele Dow of Las Lomas, as Antigone; Dahl Delu, Pleasant Hill High, Ismene; Donna Dabney, Mt. Diablo, Eurydice; Mike Kimball, Pleasant Hill, Haimon.

Joe Partansky, Mt. Diablo, Tieresias; John Messer, Pleasant Hill, the sentry and messenger; Shirley Zuckerman, Las Lomas, as the Choragos.

Peggy Houston, Robin Bean, Darcy Cressman, Sharon Mayne, Katie Hill, Joyce Aldrich, Barbara DeHuff, Diane E. Smith, all of Pleasant Hill and Margaret Olsen of Las Lomas as members of the chorus.

The Speech Arts Workshop consists of a study of the history of man and the world using the theater as a basis, the great dramatists of each country, voice and diction, modern dance, body movement, choral reading, interpretative reading, improvisation, stagecraft, costuming, lighting, makeup and acting which culminates in the full scale production of the Greek tragedy.

Police End Thefts By Tire Gang

The arrest of four juvenile members of a tire theft gang and the Fagin-like leader who acted as their fence was announced yesterday by the sheriff's office and Concord police.

They said the gang has stolen between $1,200 and $1,500 worth of tires in the past six months over a wide area in the county.

In the county jail on a charge of receiving stolen property is Earl Guyman Bailey, 33, who operates a San Pablo service station where officers said stolen tires were sold.

Spare tires were taken from automobiles in parking lots or in front of homes.

Held in juvenile hall were three Martinez boys, 15 and 16 years old, and a 16-year-old Port Chicago youth.

Orinda Man Hurt In Auto Accident

Thrown from his automobile when he lost control of it, Aaron Bojarsky, 49, of 259 Camino Pablo, Orinda, suffered injuries for which he is receiving treatment at Kaiser Foundation Hospital.

The California Highway Patrol said the accident occurred late Monday afternoon on Marsh Creek Road, three miles east of Clayton Road, when the car spun and came to a stop.

Bojarsky told patrolmen he must have lost consciousness because he remembered nothing about the accident until he found himself under the rear of the car.

Hospital attendants said his condition was "good."

Fire Put Out

The Orinda Fire Department Wednesday evening put out a small grass fire at 82 Terra Road.

Church To Build New Sanctuary

The Orinda Community Church broke ground Sunday for the building of the church sanctuary and additional class room space. The total cost of the program is $325,000.00 and it includes the 300 car parking area. The sanctuary will seat 420 and the church school area will be doubled with the completion of this program.

Chairman of the building committee is Everett Howe and other members of the Committee are Mrs. Douglas Watkins, Secretary; Mrs. William Brobeck, Arthur Weatherbe, Albion Harmon, Charles Nelson, Mrs. Donald Krotz, Al Reid, and Roy Clark.

Andrew Hartanov is chairman of the board of trustees. Jack Hermann of the firm of White, Hermann and Steinau is the architect, and the F. P. Lathrop Company is the contractor.

The work should be completed by Easter of 1959.

The ground-breaking exercises were under the direction of Mr. Albion Harmon. The choir, under the leadership of Maurice Ellison, sang "O Rejoice Ye Christians Loudly" by Bach, and the Rev. Chauncey E. Blossom gave a prayer of commitment.

Big Check Given

The success of the Orinda Fiesta of 1954 was again brought to the attention of local residents when W. M. Fleager, Orinda Fiesta president, handed a check for $5,600 to Perc Brown to help in the construction of the new library.

This action was approved by the Fiesta board to be effective as soon as the library building was under construction.

Fleager pointed out that this donation was made possible through the hard work of several hundred local residents who participated in staging the fiesta in May of 1954.

Youths Arrested After Robbing Canyon Resident

Two 18-year-olds who held a 74-year-old Canyon man captive in his home were arrested and jailed after the car they stole from him struck a tree—and caught fire.

The victim was George H. Lydiksen of Canyon, who had a knife thrust at his stomach the evening of July 10 when he answered a knock on the door, sheriff's deputies said.

Lydiksen told officers the youths demanded his car keys and his wallet, from which they took $25.

Arrested by California Highway Patrolmen Lee Council and Bobby Justice for investigation of robbery and auto theft were Forrest Eugene Deen, 18, of Oakland, and Paul Stephen Beckman, Martinez.

Officers said Beckman saw a shotgun in the room, loaded it, and aimed it at Lydiksen. The pair took the shotgun when they left in Lydiksen's car, and he called the sheriff's office.

Sheriff's deputies L. D. McGaughey and Robert Barrett said they passed the stolen car—going in the opposite direction—on Reliez Station Road, but did not recognize it because the broadcast had given the wrong color for the vehicle.

Recognizing the sheriff's car, the young men drove faster, and lost control on Las Trampas Road, striking a tree.

The car burst into flames. The pair escaped as Council and Justice drove by and stopped to help the accident victims. They were treated for cuts and bruises at the county hospital before being taken to jail.

Deputies said Deen and Beckman said they had been drinking beer, and admited the crimes. The money and shotgun were recovered.

County Gives Service Pins

Awards for many years of service were presented recently to several local residents by Contra Costa County.

Suburbia Scribblings

By MARIE MONAHAN

Herman . . . Your Sermon Is Showing

Have to skip the column this week. We're Beat. Bushed & Bedraggled. But blame it on the publisher. That's what he gets or giving us ideas in his last wk's "Under The Sun."

We'd heartily agreed w/Mr. S. in re: to the old-fashioned B'day party—at home. We've long been advocates of the homemade decorated cake, the good old games, the crepe paper streamers. But we discounted the Wind. And the Screamers.

We rather liked His idea of letting the kids whoop & holler. Hip, Hip Hooray & Haaaappy B'day Away! And during such a frenetic affair for 14 at our house mid-week, we installed this party gimmick much to the gleeful delight of the would-be TARZANS! They greeted each boy guest w/a rousing cheer. Which you MIGHT have heard in the Broadway Tunnel!

AFTER SIX OR SEVEN "Split-Sixes," we were sure the worst was over. Clever man, that Mr. S. . . Let 'em yell their lungs out. Get it out o their System!

Hah! What HE doesn't Know about . . . Oh, Well! It worked the other way here. Vice-versa . . . or Twice-Worsa! The pace of the party was set. Once they got the feel of the freedom of noise, the capacity for hog-calling, the call of the wild, there was no stopping them!

IT WAS LIKE A NIGHTMARE. An unending one! The longest two hrs. ever endured. As for the other gruesome details. NEXT time, WE try the bakery! Our homemade Martha Washington recipe that NEVER misses, DID. Flopped, Fell. Oozing 7-min. frosting (that's s'posed to stand in stiff shiny peaks) all over & down the sides of the milkglass cake plate & onto the table. Fun for fellas who like to lick. Then wipe their fingers on the closest thing. Me! a frolic for the ants who trailblazed through the house the next day.

IT WAS AN ILL WIND that blew no good. And the outdoor party was mostly inside. In & Out, Up & Down. Peanut shells crunched underfoot in every room, peppermints pasted into the carpet, onto the pillows, broken toys, busted balloon pieces, bubble stuff in sudsy puddles, crepe paper streamers torn into spit balls. Oh, I can tell you, it was a MESS!

No reflection on the guests, however . . . Not those lovely rosy-cheeked tanned darling boys! No, Sir, Mr. Silverman. We blame it all on you. And NEXT time (what am I saying!) WE'VE got another gimmick. We'll wisper! Do you hear . . .? WHISPER! !? !

Long On Nerves . . . Short On News

DURING A DRESS REHEARSAL for the Dramateur's "Chalk Garden" (opening tonight at Laf. Town Hall) Tish Winkworth picked up a decanter of weak-looking sherry, poured some in a goblet & eloquently tossed it down according to Script. Almost breaking up herself as well as the rehearsal, the Sherry being Cognac of a very fine & fiery vintage.

Opening tonight too, "The Matchmaker" at the Golden Hind Playbox, 1505 San Pablo Ave, Berk., & every Thur. & Fri. at 8:30 . . . The sparkling spoof of the 20's, "The Boy Friend," STILL going strong on Sats. & Suns. Capacity crowds. LA 4-6677 for reservations!

Soon to take a Sabbatical in Paris, the Everett Howes who'll fly in August . . . Ruth, who's been busy w/real estate, to accompany her husband (he specializes in salt-water conversion) to La Miramonte . . . SHE honored at a morning Coffee last Tues. morn Belle France as will the couple's son, Milton, Soph. star-runner at til' noon at the Myron Osmunson home on Meadow Park Ct.

Lucille Fahey, Catherine Blossom complimenting hostess Maxine on her table centerpiece, yellow glads w/white & pink roses, a toy airplane nestled thenein . . . Ruth's sisterin-law Doris McChesney Betty Mainwaring among those dropping in. More old friends on Irene Simon, (Mother-in-law of Sylvia Howe Simon) Betty Hewett, hand to hear about the couple's map-cruising to incl. Venezuela, were Moly Nelson, Marian Brown (she & her family just back from Clear Lake), Jewel Clark, Sabina Clearman, Evangeline Winkler, Eleanor Godfrey, Uriel Jackman and a trio of women realtor pals, Eileen Johns' Gloria Westerfield, Virginia Parks.

SUMMER PARTY. . . . Poppy & Les Rowe floodlighted their patio last Sat. night (it was a moonless night), dusted off their Old-Time records, and bid friends & nearby-neighbors over for a Barbecue & Dance party. (Presuming the guests were installed w/ special heating pads?)

Dancing outside were Poppy & Les' dghtr. Yolande & her husband Charles Burkette, their Oakland guests, Hawaii-ound Ralph Hansens, the Hugh Riegers, Walter Stoys, James Chapples & Jim Hupps. Others in the crowd warming up to tunes like "Limehouse Blues" & "Amapola" were the Magnus Bennedsons, Herb & Becky Johnson, the latter's dghtr. Caroline swimming a beautiful crawl stroke as witnessed at the recent Livermore Aquarodea meet from which she returned w/ribbons, ribbons!

Have Tent . . . Will Travel

SUMMER HIATUS . . . The Frederick Johnsons are up in Echo Lake at their new place . . . The Charles Van Duynes will join HER mother for a month-stay in Carmel. Ticketed for the final session at Berk. Tuolumne Family camp are the Ted Schillings, the Bill Littles, while camping at Tahoe near their old friends & neighbors Fil & Mary Dorland, will be Jean & Dick Bottjer & their boys . . . The Jerry Cullins will summer in the Northwest and Dale & Juanita Merriam will pack up the car & kids Tody & Dolly at their Don Gabriel Way house & see the Idaho country w/stays at Spirit Lake & Coeur d'Alene. Robert Miller & son Keith are among the Fatherson camper-outers.

Bob & Jane Lester made good "contacts" again this yr. at the annual Contact Lens Conv. in Chi, LOTS of pleasure mixed w/business, and Stella & Bob Boyle, who flew to Denver a recent wknd., attended his 25th (! ! !) reunion at Santa Ana in June & came home two prizes, One for couple w/the youngest child. Two, for having traveled the farthest to attend. Betty Broderick joined former Orinda friends last wknd. in a pvt. plane hop to the Sportsmen's paradise around LaPaz, Mexico.

Before the Mayten "COUNTRY FAIR" tomorrow night a festive crowd in country cottons will convene at the Scenic Dr. home of Louise & Mike Rich. Here for the Supper-Spread will be Grace & Bill Van Voorhis, Eleanor & Dick Funk, Jan & Hank Soubielle, Lois & Mike Dugener, Colette & Ed Smith.

And at the Palace Hotel Tues. night, during the Caldecott-Newberry Book Award dinner for conventioning Librarians (3500 bookworms!) Fran Yedidia & Alice Frederick shared an interesting table w/Dick Friendlick, Orinda Sportscribe, and a charming lady librarian from Java, name of Narouma.

Federal Flood Program for Zone 3-B Clears Hurdle

The proposed $24 million federal project for Contra Costa County Flood Control Zone 3-B, which will protect the area's homes and businesses against a 100-year flood, has been approved by the U.S. Army Board of Engineers for Rivers and Harbors.

Although this is just one of many steps, the action was taken more than a month ahead of schedule, on July 11, and offers hopes that the U.S. Congress will get the plans for its 1958-59 session.

The announcement came this week from Sixth District Congressman John Baldwin, and U.S. Senator Thomas Kuchel.

THE "SURVEY REPORT" which has been making its way through a long list of official agencies, includes plans for bolstering the mighty (in the winter) Walnut Creek channel, and the construction of levies at crucial points, from Suisun Bay to South of Walnut Creek.

The details of the survey were explained in meetings held late last year by federal officials, including Army Colonel A. E. McCullam.

Baldwin said that he appeared before the Board of Rivers and Harbors, ". . . to stress the urgency of the project and the great need for it." He added that the board scheduled the project first on its agenda, and approved it immediately after his testimony.

Baldwin continued that the project must now go to the Department of Health, Education and Welfare, then to the Department of Interior and the State of California, for "comments."

HE SAID: "These agencies have 90 days in which to submit their comments and recommendations.

"After these views are received, if they are favorable, the next step will be for the Secretary of the Army to submit the project to the Bureau of the Budget for its comments and recommendations."

Baldwin said: "If the Bureau of the Budget approves the project, the Secretary of the Army will then forward the project to Congress with a recommendation that it be included in the next omnibus rivers and harbors and flood control bill."

It is hoped that at least part of the money for the mammoth project will be appropriated by next summer during the 1958-59 session of Congress.

THE EARLIER explanations were that the federal government would spend about $18 millions, the state about $5 millions and the local area would raise about $1½ millions for the work.

Impetus for the work built up when heavy flooding in 1955 and last winter caused widespread damage to homes and businesses in the vicinity of the big channel and several smaller channels.

In the past several weeks, residents of Walden have been seeking "interim" work by the County Flood Control and Water Conservation District which would contain a rush of 900 cubic feet per second in the main channel. This would require a $200,000 expenditure by the district, about $100,000 by the county; and the residents offered to finance payment of some $50,000.

Support for the more immediate work was lent by Pleasant Hill organizations. The district commissioners have delayed their decision, citing financial and other considerations.

VOTERS OF ZONE 3-B, including Walnut Creek, Lafayette, Orinda, Pleasant Hill, Alamo and surrounding areas, twice turned down $10 million bond issues by which the district would have initiated its own long-range flood program.

The vote results were credited to a reluctance by Lafayette and Orinda residents, who generally inhabit higher ground, and an insufficient turnout in the areas most affected by the run-off waters.

Another recent announcement was that the Public Works Committee of the U.S. House of Representatives has approved a $66,000 study of Alhambra Creek and its tributaries.

The creek drains about 16 square miles and discharges into Carquinez Straits, between Suisun and San Pablo Bays. There is no existing flood control project there. The study will take about two years.

Old Site Picked For Location Of New Library

The site of the present library on Moraga Road, plus the tennis court area next to Lafayette School, has been selected as first choice for the location of the new Lafayette library.

Recommendations of the Lafayette Library Association Board of Directors in regard to the site and a method of financing were approved by association members after hearing a report by W. B. Scarborough, outgoing chairman, at a meeting July 10 in Lafayette School.

The firm of Aitken and Collins, designers of the new Orinda library, was chosen as architect.

But the go-ahead sign for library construction cannot be given until arrangements are completed for financing and for acquisition of the six-tenths of an acre from the school district.

The district owns not only the tennis courts, but the property now occupied by the library.

The school board has asked the county appraiser to appraise the site as a prelude to sale, is investigating legal problems involved in the transaction, and is considering the question of moving the tennis courts to Stanley School.

A 10-cent tax rate was submitted by the recently-formed library service area as of July 1 to the Board of Supervisors, and is to be acted on at their August budget meeting, Scarborough said. The first money from this source is expected to begin coming in this fall.

The method of financing land acquisition and construction suggested by directors was approved: To borrow from the County Employes' Retirement Fund.

Interest on such a loan, it was reported, would be 4 per cent on the declining balance, and the minimum loan would be $100,000.

Elected to the board of directors for the coming year were F. C. Merner, E. D. Pike, Loy Chamberlain, R. B. McConaughey, Mrs. A. H. Branstad, Mrs. Dow Votaw and Mrs. Don Laston.

Members of the outgoing board are Scarborough, Mrs. Kora Powell, Mrs. Bernice Mills, Merner, Pike, Chamberlain, Mrs. Branstad and Mrs. Votaw.

The need for additional library facilities here was stressed in a report by Mrs. Stella Friedman, librarian.

The present library contains 12 chairs, she said, and there are often many times that many children in the library, seeking space to work on assignments.

She reported that during the past fiscal year 100,594 books were circulated as compared to 88,000 the previous year, and a record high of 914 books were taken out in one day recently.

Deputy Harold Dunlap Succumbs To Heart Attack

Harold R. Dunlap, 33, of Pleasant Hill, a deputy jailer in the Coentra Costa County Sheriff's Department, died apparently from a heart attack, Sunday night, after a scuffle in the jail.

Dunlap, and Deputy Sheriff Albert Podva were struggling with a man who had been brought in for being drunk and distrubing the peace, when Dunlap turned white and leaned against the wall.

After the resisting drunk was pushed into a padded cell, Podva assisted Dunlap, and called an ambulance. Dunlap was taken teo a Martinez hospital, but died soon afterwards.

Dunlap has been a deputy sheriff for two years. He lived with his wife, Mary, and two children, at 148 Jennie Drive, Pleasant Hill.

He is also survived by his mother, Mrs. Flossie May Griffin of San Pablo and two sisters, living in San Pablo and Richmond.

Diablo Fliers Hold Contest

The Diablo Fliers of Walnut Creek held their monthly "Free Flight" contest June 20 at Parks Air Force Base.

The group is sponsored by the Aerojet General Nucleonics, San Ramon, and is a branch of the Academy of Model Aeronautics.

The "Fliers" meet every month, and hold contests as well as attend contests in other areas sponsored by other clubs. Visitors are welcome.

For information regarding meeting times, contest dates, and plans of other club events, contact Donald Gwynne, 1956 Mt. Diablo Boulevard, Walnut Creek.

Toastmasters Meet Planned

The semi-annual area officers training session for District 57, Toastmasters International, will be held at the Lakeview School, Oakland, 7:30 p.m. Wednesday.

Conrad Wingefeld, Governor, District 57, will open the session and outline the district program for the year. Lieutenant Governor, Roy Kahn will introduce a panel of speakers.

WC Driver Hurt, Man Dies in Crash

James H. Bidwell Jr., 26, of 1856 Almond Avenue, Walnut Creek was one of the drivers in a car-truck collision which resulted in the death of a Sacramento driver, Saturday, three miles south of Danville.

Dead is Roland M. McDonald, 31, of Sacramento, who with his wife and three children was enroute to San Jose to visit relatives.

California Highway Patrol officers said that the accident occurred when Bidwell's car swerved over the center line and struck McDonald's pickup truck.

Two residents of Castro Valley told the officers they saw McDonald try to pull over to the curb far enough to avoid Bidwell's car, but without success.

Bidwell, a former jockey, and the other members of the McDonald family received severe injuries. They were treated at Kaiser Hospital.

The officers said that Bidwell may have fallen asleep behind the wheel. No citations were issued.

Any Down Under Folks Around? Then Hear This!

If there are any gals around from "Down Under," Mrs. Ray Schreiber, 3[illegible] Harvard Court, Pleasant Hill would sure like to know about it.

Mrs. Schreiber, who says that anybody who is really interested in Australia may call her Denise is an Australian war bride and has been looking around "for some time" for fellow-girl friends from the continent below the equator.

THAT IS, if you can call them fellow girl friends." What she really wants is any other Australian war brides who happen to be in the area to contact her so they can form a club and talk about all the familiar things that happened to them many thousands of miles from Contra Costa County.

Mrs. Schreiber came from Sydney, which she stoutly defends as "a very beautiful place with some of the most beautiful beaches in the world."

She admits that she likes Contra Costa County, and that she has been swimming since she came "over here," but says it "just isn't the same as swimming in the surf."

"WHAT I REALLY want to do," she added, "is just contact some fellow Aussies so we can get together and talk."

So there you are, fellow Aussies. If you want to get together and talk with Mrs. Ray Schreiber, you can call her at MU 5-1779

But be warned. She's thinking in terms of forming a club of expatriates from Australia, and you know what that can mean . . . you might end up seceding from California!

Anyone for swimming in Sydney?

Auto Accidents Result in Two Court Filings

Local residents has sued Contra Costa County, the State of California, and other persons involved, as the result of two auto accidents.

George Rollins, 38, of 1330 Alma avenue, Walnut Creek, has sued the State of California and two motorists for $200,000, for alleged injuries after a four car collision on the Carquinez Bridge, April 28.

The defendents are from Crocket and Oakland. The Highway Patrol report shows that a contruction worked signaled one of the defendant's trucks into the center lane where it collided with Rollins' car, and the other two cars then hit the wreckage.

Contra Costa County has been sued for $151,600 by Thomas Price, 11, his father, Thurman Price of Concord, and George Meikle of 209 Lombard Court, Walnut Creek, who was a passenger with Mrs. Winnie L. Price, 33, who was killed in an auto accident.

The accident occurred at Ygnacio Valley highway, February 24, when the car driven by Jack Babcock, 27 of 760 El Verano Drive, Walnut Creek, struck a flooded section of Walnut Avenue, east of Los Lomas Way, went out of control, and struck a tree.

Asked is $101,600 by the Prices, and $50,000 by Meikle.

Member Drive Underway for 20-30 Clubbers

Members of Walnut Creek 20-30 Club (No. 395) are preparing for their annual membership drive.

Two teams have been organized. Earl Wightman will lead Team "A" and Jess Paez is top man for team "B".

The team members will especially be on the lookout for new members from the following lines of endeavor: beverages, banking, law, insurance, automobile, dry goods and general merchandise, electrical industry, furniture and furnishings, office appliances.

Pierre Taylor, membership drive general chairman, said that a steak and bean feed will wind up the contest.

Taylor has also offered his garage at 1361 Springbrook Road for collection of rummage sale items. The final pickup will be August 1. The items will be delivered the day after. The sale will be held on San Pablo Avenue near University Avenue, Berkeley.

The members have made plans to present a television set to a six year old boy who has been bedridden for several months.

Fires Extinguished

Five grass fires were put out by the Lafayette Fire Department during the past week. Locations of the blazes were: July 11, 919 Anita Court; July 12, 1155 Pleasant Hill Road; July 13, Brown Avenue; July 14, Moraga Boulevard, and July 16, near Andreason Street.

Alamo School Tax Vote is Tuesday; $2.50 Limit Asked

Voters of the Alamo School District have been promised that their tax rate for 1958-59 will be less than $2.10 per $100 assessed valuation if they approve a $2.50 tax rate limit at the polls, Tuesday.

Edward Thomas, school district board chairman, said that a rise in the present limit of $2 is "essential" if the present standards are to be maintained.

The present tax rate is only $1.89, despite the fact that the limit is $2. But trustees have agreed that the $2 will not be enough for the next fiscal year.

The polling booths will be open from 7 a.m. to 7 p.m. Tuesday at the Alamo School, Danville Highway. There will be two booths, one for voters in the surname A-H catagory, and the other I to Z.

A two-thirds majority vote is needed to pass the new tax limit. A similar election was held in May, and the $2.50 rate missed passage by only a handful of votes.

A citizens committee has been organized to support the new limit. It is headed by Hadley Pell of 20 Bolla Avenue, Alamo.

Pell noted that the tax rates last year in neighboring communities were as follows: Danville, $2.29; Lafayette, $2.21; Orinda, $2.15. The legal limit in Orinda has been raised to $2.75.

School District Will Receive Federal Aid

Congressman John F. Baldwin announced today that he has been informed by the Commissioner of Education of the United States that favorable action has been taken on the application of the Walnut Creek School District, for Federal assistance for current expenditures pursuant to Public Law 874, which provides for financial assistance for schools in Federal affected areas.

The Commissioner of Education has determined that the tentative entitlement for the Walnut Creek School District for fiscal year 1958 will be $16,000.38 and has certified $12,000.00 of this amount for immediate payment.

Contra Costa Proves Safe! Unless It's 5 & You're 10

Contra Costa County was a pretty safe place for pedestrians during 1957, Victor W. Sauer, Public Works Director, said today.

However, if you were one of those few individuals who were unlucky enough to be struck by an automobile, the chances are that you were under the age of 10, and that the accident happened on a Tuesday after 5 p.m., he added.

According to statistics gathered by Traffic Engineer Mark L. Kermit, less than 5 percent, or 61 of 1427, reported accidents involved pedestrians. However, of these 61 accidents, about half involved children under 5, and three-quarters of all pedestrian accidents involved children under 10.

Both Sauer and Kermit agreed that to them, a very important aspect of these statistics was that in only one case involving children under 10 was the driver responsible for the accident and a citation issued.

Generally, the pedestrian was at fault, since in the total of 61 accidents, only 7 citations were issued against the drivers.

Half of 61 accidents occurred after 5 p.m.

Horsemen to Hold Annual Show July 27

The Contra Costa County Horseman's Association will hold its 11th Annual Senior Horse Show on July 27, at the Don Fernando Pacheco Adobe, 3119 Grant Street, Concord.

Starting at 9:00 a.m. events for the juniors, age limit 18 years, will include Model Stock Horse, Pole Bending, Trail Horse and Stock Horse.

Junior Museum Makes Plans For Festival

Plans are now complete for the Third Annual Diablo Junior Museum Science Fair, to be held on July 26, in the multi-use room at the Walnut Creek School on Walnut Blvd., it will present all facets of Junior Museum interests.

This Fair spotlights the students that have been participating in both the Junior College Program and the Walnut Creek School Workshop.

The doors will open at 11 a.m.; the public is urged to come and there is no charge. The popular food booth will once again be open with punch, cookies, hot-dogs, coffee, and doughnut holes available.

This convenience at the Fair is run by members of the Junior Museum Alliance.

The Workshop group, under the direction of Gene Goselin, is busy preparing exhibits and will help with setting up the show. When the doors open this group has always been first on the scene to see who won a blue ribbon, and to greet the live animals they have enjoyed during the preceding weeks.

Important Wins Cheer Coast Leaguers in WC

It was a good week for some of the Coast League teams, members of the Walnut Creek Junior Baseball program.

For instance, Cockerton's collected its first win of league play, beating Lynch Foods, 20-7.

Also, Walnut Creek Canning pulled the fat out of the fire in the last inning to down Scotty's Waffle Shop, 11-10. Little Chapel of the Flowers also managed a last-inning "coup" to finish off Farmer's Feed, 12-11.

Finally, Scotty's Waffles bounced back to the leadership of Division No. 1, by beating Barney Gilbert, 11-7.

The other Coast League game had Birdie's Toy House a 14-5 victor over Cockerton's team.

Coast League standings:

Division 1	Won	Lost
Scotty's Waffle	5	2
Russ' Barber Shop	3	2
Burdette's Shell	3	2

Knights, Dons Battle for PH Cage Leadership

After three weeks of rugged competition the Pleasant Hill Recreation District's summer basketball league appears to be a dogfight between the "Knights" and the "Dons" who at the moment share the loop lead with identical 5 and 1 records.

The "Dons" led by high jumping Paul Colin and playmakers George McMeans and Don Nelson appear to have the league's defensive edge while the tall and rangy "Knights" have a good fast break plus back-breaking backboard control to give them the best offensive punch in the league.

The first week of action found the "Orphans" slaughtering the "Lost Tribe" 72-24 while the "Dons" downed the "Celtics" 38-23. The "Knights" ripped the "Chieftains" 65-25.

In the league's second week of contests, the league leading "Dons" took the measure of the ever struggling "Chieftains" 42-14.

The highly talented "Knights" ran roughshod over the hapless "Orphans" 62-26 while the "Lost Tribe" rang up their first victory as they slapped the "Celtics" 48-36.

In their last outing, the "Knights" helped themselves to their half of the leaders' spot by turning the tables on the poor shooting "Dons" 24-21. Clarke Ransome had 8 points for the victors while Duanne Stultz led the losers with 6.

In other contests the "Celtics" took a 40 to 20 decision from the outclassed "Orphans." Side Maestre took high scoring honors with 12. The Chieftains evened their season record with a 34-32 squeaker over the "Lost Tribe." Jackie Carman tallied 14 points for the winners.

	Won	Lost
Dons	5	1
Knights	5	1
Chieftains	3	3

8 Named Cal Scholarship Award Winners in Valley

The University of California recently announced the names of eight alumni scholarship winners in the Diablo area.

Recipients of this year's awards are Roberta Berglund, Pat Fletcher, Neal Satre and Kimi Tahira from Mt. Diablo High School; Betty Casady from Las Lomas High School; Dan Ipson and Joe Ramus from Pleasant Hill High School, and Mary Ellen Rayner from San Ramon High School.

These eight winners were selected from 53 applicants from the six high schools in central Contra Costa County. The Diablo Area Scholarship Committee chose these winners for the $300 scholarships on the basis of scholastic ability, future promise and financial need.

The Scholarship Committee wishes to thank all the individuals in the Diablo Area who, through personal contributions or through the traditional "Spring Fling" dance, made this year one of the most successful in the local alumni scholarship program.

Again this year, eight scholarships were awarded, adding significantly to the statewide total of 3134 alumni scholarships which have made possible a college education at the university to deserving graduating seniors since the inception of this program 24 years ago.

Sheriff's Dept. Detective is New Lieutenant

Leland Gallamore, a veteran of 11 years of county service, was promoted from detective to lieutenant of the Contra Costa County Sheriff's Department, it was announced.

Gallamore will assume command of the patrol division, replacing Lt. Robert Fischer, who will take over the penal division.

Polio Shots Necessary for Adults-Blum

"Every adult, regardless of age, who is in close contact with children, should be immunized against polio," said Dr. H. L. Blum, County Health Officer.

Dr. Blum pointed out that polio immunizations for adults are just as important as those for children.

He went on to say that immunizations should be obtained from private physician, who keeps a complete record of all medical services and needs. Health Department clinics are maintained to serve those who would have difficulty in obtaining these services privately.

The County Health Department's Immunization Clinic for the Walnut Creek area will be held at the Health Department Office, Highland Medical Building, 2363 Mt. Diablo Boulevard, to 4:45 p.m., on Wednesday.

In addition to polio vaccinations, immunizations for diphtheria, whooping cough, tetanus and smallpox are available. Those 13 years of age and under must be accompanied by a parent or guardian.

Those 14 to 21 must have a Health Department consent form signed by their parent or guardian. Adults may receive polio, diphtheria, tetanus and smallpox immunizations.

BIG PROJECT

Chemical treatment of the Putah Creek drainage behind Monticello Dam before the lake filled was the second largest project of its kind in the State, exceeded only by treatment of the Russian River. The purpose was to remove carp and other rough fish to improve fishing quality in the impoundment. The project covered 33 miles, including tributaries, and continued nearly a month.

Go To Church Sunday

Lutheran

"Rules for Hospitality" will be the sermon theme this Sunday at Our Savior's Lutheran Church, 1035 Carol Lane, Lafayette. The Rev. Merle O. Tollefson is the pastor.

Services begin at 8:15 and 9:30 a.m., and a nursery is available for children under three years of age during the 9:30 a.m. service.

Sunday school classes meet at 9:30 a.m. for three years old through grade three.

Wednesday evening at 8 p.m. the mid-week Bible study will meet.

Thursday evening at 7:30 p.m. the youth Bible study will meet at the church. Young people of high school and college age are invited to attend.

Christian

"The Spiritual Depression" will be the sermon topic of E. Franklin Gaige, Sunday, at the 11 a.m. service, at the First Christian Church, Walnut Creek. "Making your paths straight" will be the sermon at the 7:30 p.m. worship.

The women's meeting will be held Thursday of this week at the home of Mrs. W. E. Retallack, 20 Ruth Court, Walnut Creek.

The church services for the First Christian Church of Walnut Creek will be held at the Walnut Creek Recreation Center building, beginning week after next, until such time as their own building is completed.

Episcopal

On the seventh Sunday after Trinity, the Reverend Albert Lucas, rector of St. Stephen's Episcopal Church, will conduct Holy Communion services at 7 a.m. and 8 a.m., with family catechism at 9 a.m. and morning prayer and Holy Baptism at 10 a.m., at the Anglican church on Via Las Cruces in Orinda.

All services will be led by Reverend Lucas throughout July, during the absence of his assistant, Reverend Andrew Daughters, who is presently on vacation. Mr. Lucas will be on leave during the month of August.

Music for the rite of Holy Baptism will be under the direction of Choirmaster Donald Aird, with the St. Stephen's Choir singing "Elbing" by Sohren, "St. Catherine" by Walten, "Declare His Honour" by Purcell, and "St. Thomas" by Williams.

Members of St. Monica's Guild of the St. Stephen's Women's Auxiliary will be hostesses at the coffee hour immediately following the 10 o'clock service, which will be held in Hill Memorial Hall.

Ushers for the Sunday services will be: 7 a.m., David Jones; 8 a.m., Nelson Munson; 9 a.m., Cecil Cantrill and James Dunuis; and 10 a.m., Fred Cook, Harold Doane, Stanley Hunn and William Sparling.

Congregational

The Rev. Chauncey Blossom's sermon topic will be "Today Is the Time" at the 9:30 and 11 o'clock Sunday services in the Orinda Community Church. A male octet, composed of Don Schilling, Ted Sanford, Ken Courtright, Bill Brunk, Lyman Lorensen, Leland Atkins, Ernest Drews and Maurice Ellison, will sing "O How Shall I Receive Thee?" by Zinck-Luvaas.

Church school for three-year-olds through the 8th grade will be held at 9:30 and 11; infant care at 11 o'clock.

Junior Pilgrim Fellowship will meet at the church at 6:45 p.m. Senior Pilgrim Fellowship will meet at 7 p.m.

Covenant

"The Most Important Question of '58"—Acts 16:30 will be the sermon topic for the 11 a.m. service at Lafayette Covenant Church, Brook Street and Moraga Road, Sunday.

Sunday school for all ages at 9:45 a.m. A warm welcome is extended to all.

Rev. Mays will be speaking on "Afraid of Your Shadow?"—Acts 5:15 at the 7 p.m. service. Special music will be furnished.

Wednesday—Prayer meeting at 7:30 p.m. and further studies in "Christian Character Course."

Vacation Bible School will be held August 18 through 22.

Baptist

"A Little Sanctuary" will be the message of Rev. Bruce H. Parker at the 11 a.m. worship service of the First Baptist Church of Orinda-Lafayette Sunday, meeting in the Veterans Memorial Building, Lafayette.

Sunday school will convene at 9:45 a.m. under the superintendency of Robert Jordan. The pastor will perform a magic trick during the preliminary period. There are classes for all ages.

At 6:45 p.m. will be the Baptist Youth Fellowship period directed by Roger Moore. A great program is planned for the teenagers and all are invited.

At 7:30 p.m. the evening service will begin with an informal singspiration and conclude with the pastor's message, "Moral Sinners."

Wednesday evening at 7:30 p.m. prayer meeting will be held in Lafayette and will be preceded by a time of Bible study.

All services will be held in the Veterans Memorial Building unless otherwise announced.

Methodist

Sunday: Church school for preschool children; and a "Young People's Church" for children from first grade and up, at 9:30 a.m. Worship services at 9:30 and 11 a.m. with the Reverend Henry Page White preaching at both services on the sermon topic "Unfailing Loyalty." The Senior MYF will hold its regular meeting at 7 p.m. and see a film entitled "Report at Korea."

Tuesday: The Bible class will meet at the home of Mrs. T. Erwin, 811 Solano Drive at 10 to 12.

Wednesday: The prayer group will meet at the home of Mrs. J. Inman-Kane, 1224 Upper Happy Valley Road, at 2 p.m.

Saturday: The Second Milers will have a picnic and an overnight camping trip to Mt. Diablo.

Christian Science

How spiritual understanding of God as eternal Life brings health and healing will be explained in Christian Science services Sunday.

The Christian Science Churches in this area are located at 22 Orinda Highway, Orinda; 1347 Locust Street, Walnut Creek; and in Concord at the corner of Grant and Park Streets. Christian Science Society of Pleasant Hill holds its services at the Hillcrest Congrgeational Church on Gregory Lane.

Bible selections in the Lesson-Sermon on "Life" include the account in John of Christ Jesus' healing of the nobleman's son.

A correlative passage from "Science and Health with Key to the Scriptures" by Mark Baker Eddy declares: "Jesus never asked if disease were acute or chronic, and he never recommended attention to laws of health, never gave drugs, never prayed to know if God were willing that a man should live. He understood man, whose Life is God, to be immortal, and knew that man has not two lives, one to be destroyed and the other to be made indestructible" (369:16).

The Golden Text is from John (17:3): "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

Sherwood K. Freeman Trains At Fort Lewis

Those elevated in academic rank, and their new titles, are:

Brother W. Matthew, F.S.C., professor of history; Benjamin A. Frankel, associate professor of history; LeRoy F. Smith, associate professor in classics; Russell A. Taussig, associate professor in accounting.

Dr. Maximilian Berg, assistant professor in German; Rev. Paul G. Kelley, S.M., assistant professor in psychology; Brother Kyran, F.S.C., assistant professor in art; Brother V. Matthew, F.S.C., assistant professor in speech and English and director of dramatics; and Rev. J. E. Myrda, assistant professor in fine arts and classics.

Pastor Announces New Church Plans

Establishment of the First American Baptist Church of Lafayette and plans for construction of a church building have been announced by the Rev. Mr. Alan Southwell, the group's pastor.

A site for the church between Rheem Center and Lafayette on Jonas Hill Road has been purchased, Mr. Southwell said, and he hopes that construction will begin within a year.

ORGANIZATION meetings for the church are being held Friday evenings in the homes of prospective members, and first formal services will begin in September in the Park Theatre.

Mr. Southwell, a recent graduate of the Berkeley Baptist Divinity School, pointed out that permission for establishment of the church in the Lafayette-Moraga area has been granted by the Comity Committee of the Northern California-Nevada Council of Churches.

Parent church of the new group is the First Baptist church of Oakland.

USE OF THE Jonas Hill Road site for a church has been approved by the Contra Costa Planning Commission, according to Mr. Southwell.

Married and the father of two children, Mr. Southwell has established a home at 3268 South Lucille lane, where church headquarters will be maintained until the new building is ready.

Wedding Planned By Orinda Girl

The engagement of Lynn Diane Thompson to Darrell Tilcock has been announced by the bride-elect's parents, Mr. and Mrs. Delbert Thompson of Las Palomas, Orinda. Darrell is the son of the Walter Tilcocks of Concord.

A dinner party, planned to announce the betrothal, has been postponed due to the death of Mr. Thompson's mother in Ely, Nev., from which the family just returned.

Wolf Named Vice Pres.

R. J. Wolf, Lafayette, has been elected a vice president of the Henry J. Kaiser Company.

In his new position, Wolf will be responsible for all engineering and construction work performed by KE for Kaiser Aluminum & Chemical Corporation.

Current work will include certain projects at the Ravenswood, West Virginia, sheet and foil mill, Ravenswood reduction plant and Gramercy alumina plant.

Wolf joined Kaiser Engineers in February, 1957, as division manager in charge of some 700 men doing engineering design, estimating and scheduling work on a number of projects throughout the United States and Canada.

Prior to this, Wolf directed planning and specification work for a major midwestern engineering company's projects for such firms at Minnesota Mining and Manufacturing Co., Ford Motor Company and the Budd Company.

Highway Patrol Warns of Signals

Make sure the turn signals on your car are off when you are not going to turn warns the California Highway Patrol.

"Approved turn signals are for use to indicate you are about to make a left or right turn in traffic," stated Captain Russel R. Magill of the Contra Costa Area office of the Patrol. "Use them properly, but make sure they are turned off after you have completed the turn or lane change.

"Oft-times serious accidents occur when a driver fails to turn at an intersection after displaying a lighted turn signal for some distance prior to entering the intersection," Captain Magill emphasized. "An oncoming driver, also with turn signal lit, figures the other car is going to turn and makes a left turn in front of the approaching car.

Savings Firm Tells Record

Berkeley Savings and Loan Association this week announced its savings account holders will receive a record breaking $548,903-.30 interest payment for the six months period ending June 30, 1958.

Burglars Get $1300

About $1300 worth of jewelry, a radio, cash and silverware were taken from the home of Pasquale Bottone, 2984 Danville Highway, Walnut Creek, last week.

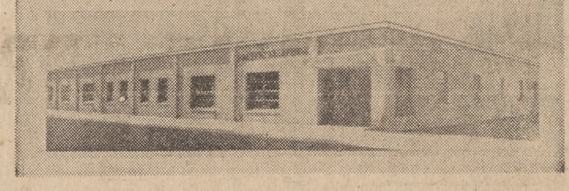
Burglars entered the home while the family was on a week end holiday trip. A chain on the door had been forced.

WHAT'S DOING

Howard Greenhalgh, your Telephone Manager in Lafayette

You're likely to see earth-boring machines like this one in action almost anywhere today. They're digging holes for new telephone poles. It takes only five or ten minutes to dig a hole, thanks to machines like this. Then power drills and pole-setting rigs help us put the poles in their places. With all these time savers, a two-man crew can usually put up about 15 poles in one day. You'll find phone people using the newest and fastest methods on all kinds of jobs. That means we can do a better, more efficient job for you.

Here's Our New Business Office



We are now located in our new business office at 1250 Arroyo Way, Walnut Creek. In case you are not familiar with this area, you can follow North Main Street to Mel's Drive In and turn onto Arroyo Way. Continue to the new building next to the Post Office Annex.

For the convenience of our customers, telephone bills can also be paid at the following locations:

To the man who says, "*I'm from Missouri*"...

Frankly, we don't expect you to take *our* word for it when we say the Swept-Wing 58 Dodge is unlike any car you have ever driven. We don't expect you to believe it rides smoother, corners better and handles easier just because *we* say so.

You want more than claims. You want proof. You want to be shown, to be convinced.

That's why we invite you to come in and *Take the Wheel . . . Get the Swept-Wing feel.* Take a '58 Dodge out on the road and compare it with any other car you have ever owned or driven.

Is it everything we say it is? Does it actually ride smoother? Corner better? Handle easier?

We'll leave the answers up to you. You be the judge. Just see and drive and compare the Swept-Wing 58 Dodge. That's all we ask.

Acalanes High Graduates Enroll At Davis Campus

Students from Lafayette and Orinda are continuing to enroll for the next semester on the Davis campus of the University of California.

Three graduates of the class of 1958 from Acalanes High School are Margaret Louise Calderon, Karen Rose Jeffries, and Shirley Mae Matson, all of Lafayette.

New students will also include Susan Carol Flint of Orinda, another 1958 graduate of Acalanes High.

Miss Calderon is the daughter of Mr. and Mrs. David A. Calderon of 864 Mt. View Drive. She has been admitted to the College of Letters and Science and plans to major in English. Miss Jeffries is the daughter of Mr. and Mrs. Tom E. Jeffries of 835 Sibert Court.

She also has been admitted to the College of Letters and Science. Miss Matson is the daughter of Mr. and Mrs. Earl M. Matson of 1135 Camino Vallecito. She plans to major in Home Economics.

Miss Flint is the daughter of Mr. and Mrs. Arthur M. Flint of 14 Scenic Drive, Orinda. She has been admitted to the College of Letters and Science and plans to follow the curriculum in premedicine.

Birthday Party

Prof. and Mrs. Richard S. Lazarus of 3255 Hamlin drive, Lafayette, entertained at a patio party Monday, July 14, in honor of their daughter, Nancy Eve, Eve's fifth birthday. Attending were Mr. and Mrs. Frank Newman, maternal grandparents, their son David, and friends.

Bay Pianist Is Honored

On Sundy, an informal reception was held at the Berkeley Piano Club to honor the return to the Bay Area of Robert Owens, concert pianist and composer, who will make his western concert debut on Thursday evenings, at Berkeley High School Little Theater.

Mr. and Mrs. Albert Kessler, Jr., of Orinda were among those serving as hosts at the reception, along with the Misses Elizabeth Berryhill and Carol Brumm, and the Messrs. Louis Bennett, Robert Cowell, and John Tomaschke, whose Straw Hat Theater revues were formerly featured each summer at Lafayette Town Hall.

The reception was held under the auspices of Festival Theater, a new East Bay production organization being organized by Miss Berryhill and Miss Brumm.

Festival Theater will present the Owens concert as its first Allied Arts production.

Cline Guest Of Parisians

Bill Cline, the son of Mr. and Mrs. Wilson E. Cline of Orinda, is spending several weeks this summer with the Barbot family at Meudon, a suburb about five miles from Paris.

Bill, who is a senior at Miramonte High School, arrived in France in time to attend the sports car race at Le Mans, but the severe rain storms prevented his full enjoyment of the event.

He plans to attend the World's Fair at Brussels before returning to New York City August 14, where he will be met by his family.

Guillemette, the 19-year-old daughter of Mr. and Mrs. Barbot, will attend a university in Minnesota this coming school year on a scholarship.

She will join the Cline family on their trip east at Richmond, Va, and will also visit Washington, D.C., Atlantic City, Philadelphia, and New York City as their guest.

Library Model Is On Display

Models of the new Orinda library building now under construction, and the proposed Pleasant Hill-Central County Library building to be erected on Oak Park Boulevard in Pleasant Hill are on display this week at the American Library Association Conference in San Francisco.

Lafayette Scouts Taking 12-Day Hike in Sierras

Twenty-six Boy Scouts of Troop 204, Lafayette, left Saturday for a 12-day back-pack hike thru the high Sierras. They were accompanied by eight adult leaders. This is the ninth annual high Sierra back-pack hike for Troop 204.

The trip begins at Lake Mary in Mammoth Lakes area, then Duck Lake, Devil's Postpile, Rush Creek and Lyell Canyon to Tuolomne Meadows in Yosemite National Park. The hike will cover about 75 miles and end on Sunday.

The 26 boys on the hike are Carl Lundberg, Bill Latone, Ed Barnett, Juan Kelly, John Somner, Jud Clark, John Beaver, Nicky McConaughy, Bob Buffington, Bob Newey, Roger Johnston, Jim Fleming, Bill Miller, Tom) Hochheimer, Paul Fekete, Leland Lensschmidt, Terry Smith, Bob Whitaker, Al Ferreira, George Hunt, Tom Woodnutt, Paul Hein, Gordon Lundberg, Power Boothe, Tinker Shierry, Sandy Farrell and Jim Mossman.

The eight adults in the party, some for the whole trek and some just for part of the trip are: Scoutmaster Earl Glenk, Assistant Scoutmasters Warren Peterson and Ken Clifford, Harry Sommer, Paul Hein, Dick Johnston and Frank Garcia.

Joan Crew Wed in Local Church

Married June 29 in the church she has attended since she was two years old was Joan Rae Crew of Walnut Creek, now Mrs. Ronald M. Fadelli.

The rites were conducted by Rev. Mr. Fred B. Trevitt at the High St. Presbyterian Church, Oakland, at 4 p.m.

Her family has attended the church for 20 years. Parents are Mr. and Mrs. Raymond Crew of 81 Greenway Drive, Walnut Creek.

FOR HER wedding, Joan wore a full length heirloom lace gown with net and nylon ruffling insets into the train, finger tip illusion veil, held by seed pearl and nylon jjuliet cap. She carried a Bible with a white orchid.

The altar, chancel and bride's room were decorated in white gladiola and white stock. The ceremony was by candlelight, and all pews were decorated with white bows, and cimbiddiums. It was a double ring ceremony.

Soloist was Barbara Oliver, who sang "True Love," and "The Lord's Prayer."

Maid of honor was Barbara Roth, and best man was Andrew Fadelli.

A RECEPTION was held in the Brazilian Room, Tilden Park, Berkeley.

Ronald's parents are Mr. and Mrs. Alfred Fadelli of Berkeley.

Joan is a graduate of Las Lomas High School, and has received an Associate Arts degree from East Contra Costa Junior College. She is a member of the Rainbow Assembly.

Ronald graduated from Acalanes High, Lafayette.

After a honeymoon at Lake Tahoe, they will make their home in Walnut Creek.

Vallecito PTA Seeks Safe Path for Youngsters

"Parents of all school children in this area should follow the example of the Vallecito PTA in helping to find safe routes for youngsters to follow in going to school," Mrs. Rose Hawkins, safety chairman for the PTA 32d district, said yesterday.

Following a program outlined at a recent PTA meeting, a group Wednesday surveyed the possible routes within a three-quarter mile radius of Vallecito.

Taking part — and in many cases walking the same paths children will follow—were Mark Kermit, county traffic engineer; Mrs. Graylis Vossler, school principal; Betty Lewis, Vallecito safety chairman, and Mrs. Hawkins.

The group followed the natural direct paths that children can follow and stay off the highway, and made notes on places where brush should be cleared away or road shoulders improved.

"The PTA will contact property owners where their generous cooperation is needed for pathways, and where brush has grown over the county right-of-way and has to be cleared," Mrs. Hawkins said.

The county road maintenance department will be asked to make routine shoulder improvements where they are needed.

In addition, Mrs. Vossler will ask for advice on eliminating safety hazards from the California Highway Patrol.

"All parents of children in this area who will walk to school for the first time this year because of bus curtailment will be asked to attend a safety workshop to be conducted in late August by Mrs. Lewis," Mrs. Hawkins said.

Hazards of bicycle riding, and whether use of bicycles will be advisable, will be considered at the meeting.

Pool Firms Join Forces

Two big names in the swimming pool industry, Landon Inc. Blue Lake Pools and Roth & Hufft, Inc., have announced a joint operation in Alameda and Contra Costa Counties.

Roth & Hufft, a member of the Swimming Pool Builders of Northern California, will be the exclusive Landon Equipped Blue Lake Pool contractor for construction, design and engineering for new pools, while Landon Inc. will continue with service, maintenance and equipment sales for new and old pools.

Landon's Lafayette office and Roth & Hufft's Walnut Creek and Alamo offices will now be able to offere complete swimming pool construction and maintenance service for the entire Alameda and Contra Costa County areas.

Post Election EBMUD Board Is in November

On November 11, the EBMUD commissioner's post, currently held by Harold W. Saunders of Lafayette, will be up for election.

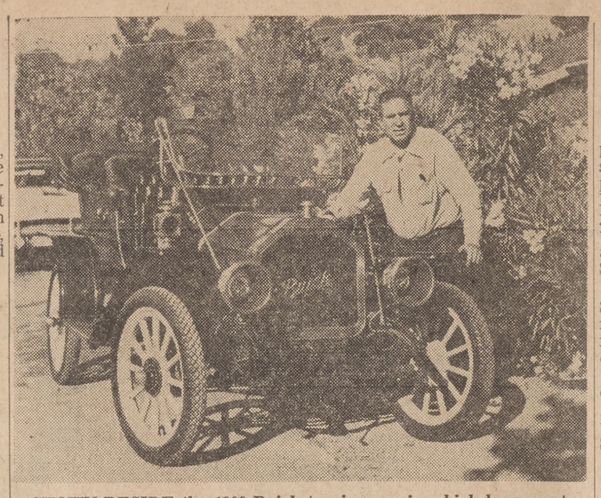
Saunders represents Ward 2 of the utility district, comprised of an area running from Berkeley eastward and including parts of Lafayette and Walnut Creek.

Any person in the ward, who wishes to enter the race for the post, may do so by circulating a petition within the ward and having the petition signed by 500 registered voters, who vote and reside in that ward.

Petitions are sent to the secretary of the utility district for certification and are then forwarded to the county so that names can be put on the ballot.

Deadline for filing is 40 days prior to the general election in November. The earliest date that petitions may be circulated is 70 days prior to the election. Petitions may be turned in to the EBMUD secretary any time after 65 days prior to the election.

EBMUD commissioners serve without pay, save for $20 a meeting compensation, with a maximum of two meetings a month.



SHOWN BESIDE the 1909 Buick touring car in which he expected to be touring Washington State today is Mike Roberts, 739 Los Palos, Lafayette. He is a delegate to the 11th annual western caravan of the Horseless Carriage Club of America.

New School Bus Routes Listed; 34 Less Stops

As a result of recent school board action, 34 school bus stops will be eliminated from routes during the forthcoming school year.

At the May 26 meeting of the Lafayette School Board, when the minimum distance of bus stops from schools was set at three-quarters of a mile for K-6 schools and one mile for 7th-8th grade schools, Transportation Director Rowland Coad recommended the stops be eliminated.

Coad's suggestions were authorized by the school board.

The following stops will be dropped for the 1958-59 school year:

MONTECITO SCHOOL

El Curtola and Ruth, Freeman and Hilton, Melody Lane and Freeman, Juanita and Lucy, Juanita and Evergreen, Old Tunnel Road and Reliez Station.

BURTON SCHOOL

Cordova and Rohrer, Camino Colorados and Colorados Court, St. Mary's and Hamlin Drive.

Lafayette Man Joins Ad Firm

Edward L. McDonald has joined the staff of Grant Advertising's San Francisco office as account executive for the Dodge division account in Northern California, Alfred Ducato, office manager, announced today.

McDonald had been with Kaiser Aluminum & Chemical Corp. for six years prior to joining Grant, serving most recently as assistant national advertising manager and advertising manager for the Products Division.

He formerly served for 11 years as an account executive with Ruthrauff & Ryan, national advertising agency, in New York and San Francisco.

He makes his home with his Arbor Way, Lafayette.

Students Are OK'd by Davis

Stephen Duff Lewis and Donna-Lee Stegman of Lafayette have been admitted to the University of California, Davis for the fall semester.

Lewis, son of Mr. and Mrs. Raymond C. Lewis of 3231 Burton Court, graduated from Oakland High School in 1958. He plans to enter the pre-engineering curriculum at Davis.

Miss Stegman, daughter of Donald E. Stegman, graduated from Coalinga Union High School in 1958. She plans to enter the College of Letters and Science at Davis.

Recreation Program Here Makes Many Kids Happy

The grins of the kids taking part told the story of another successful summer recreation program being sponsored by Lafayette schools as over 1,000 youngsters completed its third week, the half-way mark, with a softball tournament Friday at Stanley School.

Grand champion was Vallecito School, which won the clincher from Montecito, 3-0, in the round-robin tournament. Springhill, 1957 champion, finished third.

The fourth week's activities outdoors, said Ted Collins, program director, features a ping-pong tournament at Stanley School.

Children from the six schools participating have started preparations for the Junior Olympic finals July 31.

The top three competitors in three different age groups will compete in district finals. Competition will be on a decathalon basis.

The fund raising drive has reached a high of $1,719.90, short by only $80.10 of the goal of $1,800, Collins reported.

Activities at various schools:

STANLEY-LAFAFYETTE — A horeshoe tournament and ping-pong mixed doubles are scheduled for next week for sporting enthusiasts, while those who prefer the quieter activities of arts and crafts will make lima bean jewelry, bean bags and a miniature zoo. Friday there will be a bean-bag toss.

Winners in Big Wheel Day costume and field events were Martha Rolley, Charlotte Hoffman, Cub Giguiere, Don Rickman, Mark Adams, Lila Blanchard, Frances Hurley, Sue Cameron, Steve Eldridge, Barry Wolff, Jim Kelly, Steve Silla, Nancy Cameron and Kern Astrup.

Winners in the Pet and Hobby show were Nanette Lieffler, Mary McNulty, Mary Grace and Lucy Neumark, Kelly Everett, Lila Blancard, Mary Wasserlein and Michele Tressler.

VALLECITO — Baseball, tag football, track events, soccer and basketball are included on next week's schedule, and six-man football teams will be formed.

Members of the team which won the softball championship are Tim Mallery, Kevin Mallery, Steve Shank, Dave Shank, Raymond Biasotti, Jim Folly, Andy Picard, Bobby Hackett, Phil Simon, Dennis Salvo, Kenny Salvo and Bob Ollberg. Coach is Kent "Casey" Kincaid.

In arts and crafts next week will be Nature Week, and there will be an excursion. Big event Friday will be a watermelon feed.

Last week young artists made dish gardens, plaster of Paris animals and worked in ceramics. In charge were Steve Costa and Larry LaCombe. Outstanding articles were made by Margaret Sheneman, Mary Jo Thomas, Kevin Holbrook, Donald Querio and Patrick Kennedy.

SPRINGHILL — Preparations for Junior Olympics get under way next week, and there will be basketball, soccer, football and ping-pong.

Top basketball players include Lee Newell and Allan Banducci among older boys, Jeff Borowick and Bud Evans in the younger group. David Cash is at the top of the ladder in ping-pong, with Chuck David and Bill McCerney close behind.

Arts and crafts classes will have a design display Friday, and work will include sand painting and potato printing.

Indian Week was observed last week, and Freddie Meggs was chosen chief. Youngsters made drums, tambourines, headdresses, belts and jewelry. Friday an Indian dance was the special event.

MONTECITO — Track, basketball, softball, ping-pong and football will be major activities next week.

New ping-pong champ last week was Brian Symonds, junior division, while Randy Saunders stayed on top in the senior group.

Best players in softball included Bob Strain, Ken Roberts, Steve Guy, Steve Kerr, Robert Anderson, Paul Winters and Dusty Bradley.

Arts and crafts work will include designs with wet chalk, decorative pencil cans and waste-paper baskets. The splash party will be Friday.

A hobby show wound up activities for the week last Friday. Classes used construction paper to make pictures, newsprint for papier-mache animals, macaroni for jewelry and popsicle sticks for jewelry boxes.

HAPPY VALLEY — A football clinic and a football throw for accuracy are scheduled next week.

Youngsters last week played softball and tether ball. The top player in tether ball is Freddie David; in ping-pong, Mike Hamilton.

Egg shell mosaics, story-telling, plastic work, folk dancing, puppet props and rehearsals are planned. Big Wheel Day is set for Friday.

Projects last week included button boxes, a map of the constellations, puppet-dressing and a dramatization of the story of the Big and Little Dipper. Copper tooling was taught, and special event was a hobby show.

Blue ribbons went to Mary Beth Marek, Ed Rosstion, Alice Tullock and Harley Arnett, all for rock collections; Polly Perlman, a butterfly collection; Ed Bryan, bow and arrow set; Jimmy David, stamp collection.

BURTON—Craft projects next week include decorated cork coasters, door stops, completion of clothes for puppets and puppet shows. Special event Friday will be a hobby show.

Last week arts and crafts classes included making pottery, puppet heads, finger painting, sand and plaster modeling. At the pet show first place winners for their dogs were Vickie Bergren, Gwyn Corse, Diedre Smallridge, Valerie Lighthall, Marylin Huntsman and Kathy Johnson.

Winning first places for their cats were Chris Wall, Jerry Jacobsen, Susan Barkley, Susie Jacobsen and Thea Sonntag.

Awards in other classifications went to Teresa Bruner, Ginny Beckstern, Janella McDonald and David Brachett.

Map Approved

The Contra Costa Planning Commission has approved a tentative map of a 10.9 acre subdivision on Lucas Drive in Reliez Valley, as submitted by Waverly Farms.

Burglar Steals $80 From Till

Burglary of Danny Van Allen's restaurant on Mt. Diablo Boulevard in Lafayette was reported Tuesday to the sheriff's office. A door was jimmied open and $80 taken from the cash register. Sheriffs deputies pointed out that the method was the same as that used in the recent burglary of the Lafayette Pharmacy.

SECOND SECTION

ORINDA SUN

Friday, July 18, 1958

Swimming Is Fun, But All Is Not Sunshine . . .

We are blessed with a warm, sunny climate and friendly neighbors in this section of Contra Costa County.

Certainly, as Americans, we are entitled to take advantage of the beautiful things which surround us.

Many feel that there can hardly be a more pleasant way to spend a warm, summer afternoon than relaxing beside a shimmering blue pool, especially with your family and friends around you.

BUT SWIMMING POOLS are expensive, and certainly most of us cannot afford to have our own private Olympic size pool in the back yard.

In order to surmount this problem, many thousands of residents have joined to form community pool associations. This is true of each of our communities, Lafayette, Orinda, Moraga, Walnut Creek, Alamo and Pleasant Hill.

For many years these pools have successfully been providing the purpose for which they were designed. Families have enjoyed throughout the summer, and even extended the enjoyment into fall and late winter through heaters.

Dances and social functions have been held when the weather was too chilly for swimming.

And the cost has not been prohibitive. Many families which could not afford this kind of relaxation and recreation have found what is almost a new way of life through their community pool.

NOW THIS WAY of life is threatened. Sections 4231 and 4241 of the Internal Revenue Code impose a 20 per cent excise tax upon both the "initiation fee" and the annual dues or charges of "athletic and social clubs." This has been in effect for many years and was enacted to apply on sums paid to country clubs and metropolitan "athletic clubs."

But, according to the law the way it now stands, it also applies to community pool groups.

This affects a lot of people in Central Contra Costa County. In our area alone there are 20 community swimming pools serving 4130 families, or about 17,000 or 18,000 individuals.

If this law is enforced, it will make most of the pools insolvent, and jeopardize their continuation as non-profit neighborhood groups.

The House of Representatives has passed H. R. 7125, which would eliminate the 20 per cent federal excise tax on non-profit community swimming pools.

THE SENATE IS holding hearings on the bill this week. Many of the local pool groups have written to Senator Knowland and to Representative John Baldwin urging favorable action on the bill, and certainly there is no reason why individuals cannot do so also.

It should be remembered that pool members are providing at private expense and effort recreational facilities which could alternately be provided only by public authorities or at general taxpayer expense.

The pool groups are essentially different in kind from the type of "luxury" enterprises for which the tax was enacted.

Certainly, the matter of size should be considered, too. Membership varies from a few families to many hundred families. One pool group has only 16 member families.

NO MINIMUM SIZE of group at which the federal tax would apply is shown in the revenue section. Therefore, theoretically, any two neighbors who might join in providing a common pool for the use of their families would presumably be subject to the tax.

But a single family which builds a pool would not, because the membership feature is absent.

The whole thing is slightly ridiculous and can be remedied by the passage of H. R. 7125 and the signature of the bill by the President.

One final note. It is because of the alertness of many of the local pool members that this feature of the internal revenue taxation was brought to light, and that remedial action was taken by the House of Representatives.

It pays to keep abreast of what is happening, and to open your mouth and say something to your legislators when you don't like the turn of events.

Otherwise, as in this case, it might cost you money!

The Staff Corner

Well, I Think It's Funny . . .

By DICK OSBORN

Some strange things happen to those of us who toil in the newspaper business.

Well, the strange things don't really happen to US . . . they happen to other people and come to our attention. From that time on, it is simply a mechanical process to see that it gets into print for your edification.

But every once in a while something happens that doesn't quite fit into the schedule, or the staff is rushed and that feature story doesn't get written, or somebody isn't just sure how to handle the item, so they play it safe and skip it.

HERE IS ONE little item that happened during the recent Operation Star. You'll remember that that was a civil defense practice operation mobilizing a group of the doctors and nurses, as well as technical people in the county, to train them for disaster work.

At least that's the way it was supposed to work out. Let me say right here that Operation Star was a tremendous success. You've never seen such mobilization. Doctors were roaming, bright eyed and alert, around the various school multi-purpose rooms; nurses were crisply pushing their starched uniforms amongst hundreds of mock injury cases, and transportation teams were bringing in more cases by the minute.

Well, it seems that one gentleman walked into a local hospital emergency room, stood patiently in line, and finally got around to registering the fact that he had injured his ankle.

"YOU BELONG AT Parkmead School," said the person on duty . . . "that's where leg, ankle and foot cases go."

So, the gentleman patiently made his way to Parkmead School where he resumed his place in another long line.

Finally he was tagged, registered and ushered in when an alert doctor took one look and yelped, "Hey, you've got the real thing!"

The gentleman commented, a little acidly by this time, that he had been trying to tell people just that for the past half-hour.

Of course you can imagine that he got nothing but the best and quickest treatment from that time on, and, we trust, is walking comfortably today on his repaired ankle.

In fact, rumor has it that he got special attention from a local official, including a brisk ride back to the hospital in an official car, but then, that hasn't been documented.

And there's the story of the "political bulletin" sent out by the publicist for a local candidate. I wouldn't use his name, but the publicist has a sense of humor and told me to go ahead and use it.

IT SEEMS THAT Howard Jewel, candidate for Congress against incumbent John Baldwin, sent out a newsletter in June plugging his showing in the primary elections.

All very good, very good. We are glad to receive these things. The interesting note came at the bottom of the page in big, bold caps. It seems the newsletter had been sent to registered party holders, and somebody got the bright idea of sending a copy to the papers, too, for which we are thankful.

What did it say at the bottom? It read:

"THIS IS A GOOD STORY . . . TALK ABOUT IT . . . THE PAPERS WON'T."

Well, this just goes to show that the papers will. We like a good joke too!

And then there are other stories, but we can't have this thing going on forever!

Anna Oldano Receives Scholarship

Anna Oldano, a June graduate at Acalanes High School has been awarded the Sue J. Irwin Scholarship by the Grand Parlor of the Native Daughters of the Glden West at their recent conclave in Santa Barbara.

Miss Oldano is a member of Las Amiguitas Junior Native Daughter Unit No. 33 of Walnut Creek and is the daughter of Mr. and Mrs. Edward Oldano of Glenside Drive, Lafayette. She is a California Scholarship Federation Sealbearer, and in the national Spanish examinations held in June, won second place in her class in the state.

THE SUE J. IRWIN Scholarship was founded as a memorial by the Native Daughters of the Golden West at their recent con-Grand President, a well known educator and High School Principal of Berkeley, who had been affiliated with the organization for many years.

This is the first time the scholarship has been awarded and it was given to Miss Oldano for her outstanding scholastic achievements.

Mrs. Joseph R. Knowland, past grand president of the order and grand parlor chairman of the Native Daughters of the Golden West's education and scholarship committee has been invited to make the formal presentation to Miss Oldano at the public joint Installation of Officers of Las Amigas Parlor No. 311 and Walnut Creek Parlor No. 315, Native Sons and Daughters of the Golden West.

THIS EVENT WILL take place Wednesday at the Walnut Creek Women's Club on Lincoln Avenue.

Las Amiguitas Junior Unit No. 33 is sponsored by the senior local Parlor Las Amigas No. 311, and Miss Oldano's school record was submitted by them for consideration of a scholarship at the Santa Barbara Grand Parlor.

Miss Oldano has enrolled at the University of California, where she will pursue her studies for a career as a dental hygienist.

Just A Touch of the Iron For Illusion's Sake . . .

By JOYCE BARNUM

Illusions are hard to keep.

For example, clothing labeled "drip-dry-no-iron" is a common sight. This clothing is usually cut from a bolt of synthetic material.

Synthetic, in this case, meaning a manufactured cloth, composed of chemicals and wizardry. The idea is awe-inspiring; weaving bolts of cloth from the contents of vats and test tubes.

The garments made of synthetic materials drip dry, even as those made from natural raw materials.

STILL A TOUCH of the iron is required here and there, to drive away the wrinkles and furrows which the garments acquire as they drip dry.

The "no-iron" tag makes me a little less naive. And another illusion is lost.

From ancient legend comes the saga of the Trojan horse.

This horse, too, was synthetic; cobbled of some old scrap lumber by those ancient do-it-yourselfers, the Greeks. They labeled their synthetic horse "A GIFT" and presented it to the people of Troy.

Those poor, disillusioned Trojans! How defeated they felt when they looked their gift horse in the mouth.

But it's not just synthetic materials that can lead to disillusionment and embarrassment and explanations.

A FEW YEARS BACK the natural fur of the mink, made into coats, caused repercussions heard from investigating committee rooms in Washington, D.C., across the nation by a disillusioned citizenry.

In recent weeks, the silky wool of the pale fawn, South American vicuna has been labeled many things by many people.

I suppose that material woven from the vicuna's fleece will drip dry. Perhaps it shrinks somewhat in stature through the cleansing process.

ALTHOUGH MOST materials, synthetic or natural, acquire wrinkles after laundering, so do illusions and politics, but they must be kept clean.

Maybe a touch of the iron here and there is needed in the right places to restore that clean look—and some illusions.

Dramateur Play Opens on Town Hall Stage Tonight

In selecting Enid Bagnold's play "The Chalk Garden" for their first "in-the-round" summer production of the season at Lafayette Town Hall tonight, Saturday and July 25 and 26, the Dramateurs bring to the local area a play described by the austere Manchester Guardian as "an English rose of comedy" and by the London Observer as "possibly the finest comedy from an English pen since the death of Congreve."

(George Bernard Shaw is always considered an Irishman.)

In 1956 Enid Bagnold was awarded the prize for distinguished achievement in the Arts of the Drama by the American Academy of Arts and Letters. She is perhaps best known to Americans as the author of "National Velvet."

Director Carl Rasmussen, who came to the Dramateurs after being with the Special Services division of the Army as director of entertainment for armed forces in the Japan theater, and who has a long line of effective and imaginative productions of Dramateur plays to his credit, has cast even the smaller parts of the play with Drameteur veterans.

Katie Genesy, who plays Laurel's mother, took the leading role in "Anniversary Waltz" and an important part in "The Remarkable Mr. Pennypacker," besides being responsible for ingenious costuming of several productions.

Phil Stearns, a leading man with Henry Duffy's old Dufwin Theater in Oakland and once head of the news bureau for Mutual-Don Lee network in San Francisco, plays the part of the judge. Charlotte Chapple is known as for her talent as scene designer by almost every organization in Orinda.

Her background includes work in this line with the San Francisco Opera Ballet and with the Scenic Design departments of both Stanford and U.S.C. She appears in an acting assignment in this play.

One of the Dramateur's earliest members, Wirtabel Harris, has served in almost every capacity with the organization, including more than score of roles in the plays. Her training was largely under the late Margo Jones, whose Dallas Little Theater is famous as a pioneer in many theater innovations. including the first "theater-in-the-round," which is also a distinguishing characteristic of this production.

Letters to The Editor

SUPERVISOR

DEAR EDITOR:

The 1957-57 Grand Jury has done a highly recommendable job, but there is one recommendation to which serious objection should be raised—that the office of supervisor be made full-time.

The Grand Jury has overlooked the fact that the office would be even more limited as to candidates than it is at present. Our county now misses the potential services of many qualified people because of the cost of campaigning, the time needed for the office, or a distaste for politics.

Since most individuals could not possibly abandon a business or profession or their employment for four years, or an indeterminate length of time, our candidates for supervisor would necessarily be drawn from the ranks of retired persons, housewives, those independently wealthy, and some venturesome souls who would have more to gain than to lose.

The problem of attaining cross-section representation in jury service has long been recognized and sustained efforts made to achieve it, even to the extent that most industries encourage employees to serve by paying the difference between the jury duty rate and the daily wage earned. If it is desirable to have a wide cross-section of citizens serve as jurors, it is at least desirable to attempt to open the office of supervisor to as many qualified people as possible.

Before we introduce radical changes in the form of local government, why not try to make the present form function as efficiently and responsively as possible? To make the office of supervisor full-time would be, so far as I know, a real departure in local government. I would be interested in knowing how many California counties, if any, have full-time supervisors.

Name withheld by request

(Ed Note: According to the County Administrator's office, no other counties in California have full time supervisors.)

HELPS BOYS

DEAR EDITOR:

During the past year, and years for that matter, your newspaper has been most kind to the students of Saint Mary's College and the residents of the area have reflected this kindness by engaging these young men in various capacities from baby sitting to lawn mowing.

The school year is closed, the boys have gone home and in their behalf I would like to express appreciation for the community's faith in these future citizens.

Without your assistance many of them could never afford to go through college.

Next fall we hope that we can be of service to the community and trust that our relationship will always be a good one.

BROTHER BEDE
EDWARD, FSC

SCHOOL FUNDS

DEAR EDITOR:

Any public school board faces a vast amount of problems, the magnitude of which the average community resident is only vaguely aware.

The only reason that school boards make curtailments is that the electorate fails to take adequate cognizance of the educational needs of their children.

There is no single expenditure which has more far reaching consequences than the amount of financial support given to a public educational system.

Internationally, we are faced with the shame of allowing our greatest potential enemy to boast of their emphasis on an education-system that accounts for one-eighth of her annual national budget!

A school board welcomes the active, objective interest of taxpayers to the end that all who so inquire are impressed with the degree of efficiency practiced by modern public school finance.

A neighboring large city school system had to make shocking statements of devastating curtailments, which would have made a mockery of efficient scholastic endeavor, before a scant majority could be moved to support the obviously grave crisis.

Everyone needs to make a more sincere apraisal of their basic philosophical assumptions, as the issue of public education may well be one of national survival.

I strongly recommend the reading of the Special Studies Project of the Rockefeller Brothers Fund, Inc., "The Pursuit of Excellence," one source of which was the July issue of The Ladies' Home Journal.

RICHARD W. LELAND

DEATH OF DOG

DEAR EDITOR:

It was certainly regrettable that a dog was hit by a careless driver and left to die. Certainly the driver of the car should have cared for the dog after hitting him. However don't you think that the owner of the dog was partly to blame?

If he cared about the dog he would have taught him not to be a public nuisance and annoyance by chasing cars and running wild in the streets.

The dog is not to blame—but I am afraid there will be more dogs hit by our ever increasing population if their owners do not confine them to their own property. "An ounce of prevention is worth a pound of cure" as the saying goes. And actually there is no cure after the dog is gone.

Under The Sun

What Shall We Worry About This Week . . . ?

By Herman Silverman

Gosh, folks, things are mighty quiet. No terrific zoning battles. No politics at the moment. No new county scandals. Life in Suburbia has settled to a mild, summery calm.

I'm not certain "summery" is the proper word. We invited some friends and their children over last Sunday for a late afternoon barbecue. Remember? The icy wind drove us into the house. But we fooled them. We made the kids eat out—and freeze.

Well, if there isn't a lot of news, let's work up something to worry about.

20 Million golfers and a problem

Worry Number 1: Should something be done about a future public golf course in the area?

Now, I haven't played gofl in 11 years, so I have no selfish interest in this Worry Project. There are, however, 10 million golfers living here and another 10 million will be moving in within the next 10 or 15 years. Where are they all going to play?

We have, of course, some wonderful country clubs and private golf clubs and some public courses in the Berkeley hills. But there is not one public course in the county.

A course takes land. I do think that rather soon a big hunk of land in the central Contra Costa County area should be set aside for public recreation purposes—golf, tennis, etc.

Don't ask me any questions — I don't know the answers. I know we need flood control, sewer lines, streets and freeways, parking, schools, community buildings, libraries. I know these have to be paid for and are "more important" than a golf course.

But I also know we will need a municipal golf course —or two. End of Worry Number 1.

Quick! Call an ambulance!

Worry Number 2: Need for additional ambulance service. Someday there is going to be a very bad accident and someone is going to die—because of lack of ambulance service. This is a long, complicated story. The Sun reviewed the situation several weeks ago in a front page story and pointed out there is one ambulance available in our central county area 24 hours daily. If this ambulance is already on emergency call, then there can be trouble. The alternative is to call one of the four Berkeley or Oakland companies.

I can see many problems in this se tup, but the solutions are difficult. There is a need for at least one other ambulance on full-time service but the Walnut Creek Ambulance Company cannot finance it. There aren't enough calls to make it pay.

What is the answer?

Whose problem is this? It is yours and mine and our County Board of Supervisors and our cities and our fire districts. At one time it was suggested that the fire districts cooperate on this problem.

The Orinda Fire District has been studying the possibility of emergency ambulance service and should be commended for it. No final decision has been announced. Perhaps all the fire districts could work together on this. Perhaps the answer is for the fire districts and/or the County to help finance a second ambulance of the Walnut Creek Company. Or perhaps a public service district may have to be established.

I don't know the answer, but these governmenatl groups and our community-wide improvement associations should sit down and study the problem—before someone dies waiting for an ambulance.

Let the kids play ball

Worry Number 3: Will we parents ruin the youth baseball program?

The summer baseball leagues are wonderful for our kids. The programs have been most successful. The business firms, league officials, coaches, managers, umpires and parents have done a fine job. But, by all means, let's remember the league is for the kids. It is for their enjoyment and recreation.

Several parents have called to say that in certain instances too much pressure is being put on the kids. The need to win is stressed as the program's sole purpose. On occasion, kids have been bawled out when they drop a ball or make a poor throw. Parents have been heard ridiculing a team because they didn't play as well as the grown-up thought they should.

Now I will readily admit that it is important to win. But when two teams play, there can only be one winner, so one team must "learn" to lose. Good sportsmanship is of great importance. And kids learn and copy the adults. If parents boo an umpire's decision, kids will start to do so too.

Some of us gorget that eight-and nine-year-old boys do not have the coordination of twelve-year-olds. We sometimes expect too much from the little fellows. There is, of course, an entire group of experts who insist that eight and nine is to young for organized ball.

The point is—let the kids have fun. Let them win or let them lose but let it be their game.

Worry Number 4—how to end the column.

THE END.

Park Council's First Tour Begins Tomorrow Morning

The Contra Costa Park and Recreation Council will have the first of its summer "Show Me" tours in Redwood Canyon, tomorrow.

The group will meet at the Canyon School for the "Huckleberry Trail" hike at 10 a.m.

A potluck picnic at the Canyon School will begin at 12:30.

In the afternoon there will be walks among the redwoods and along the creek, and a hike on the ridge, where the rare knobcone pines are found.

The public, as well as members, are invited. Mrs. Wm. Drake of Canyon is chairman of arrangements.

Planned for later in the summer are a tour of Hampton Park and Perhaps Briones, and a "Shoreline Tour" along part of our county's remarkable 85-mile shoreline.

The Contra Costa Park and Recreation Council is a citizens' group to promote the acquisition of adequate park and recreation lands while some of the choice areas are still available.

Redwood Canyon is one of Contra Costa County's outstanding scenic areas.

It has been proposed as a State Park, a County Park, and as an extension of the Regional Park System.

In addition to its magnificent scenery, it has two areas of special scientific interest—a stand of knobcone pines along the ridge opposite the redwoods, and rare species of manzanita and leatherwood on the "Huckleberry Trail" at the upper end of the Canyon near Skyline.

These, the fine stand of redwoods, and the madrones, live oaks, and laurel, make Redwood Canyon an unusual cross-section of native landscape.

Boys and Dads Take Part In Orinda Baseball Play

With a total of 21 teams taking part, there's real enthusiasm being shown in the Orinda Summer Recreation Baseball League, Jack Clark, director, reported yesterday.

Fathers of players are coaches, and games are played at 6:30 p.m. Mondays and Thursdays at Miramonte, Orinda, Pine Grove, Glorietta and Del Rey schools. Seventh and eighth graders play baseball; lower grades, softball.

The coaches are: Third and Fourth Grade League — B. T. Baker, Bill Jones, Dwain Spitzer, Jack Gilmour, Bill Scatena, Charles Hanks, Tony Yriberri.

Fifth and Sixth Grade League —Spence Archer, Del Thompson, John Hall, Al Thor, "Dub" Little, Don Texdahl, Bob Thaman, Harvey Lowthian, Bob Moe, Jack Cooper.

Seventh and Eighth Grade League—Coley Huntley, Robert Case, Ed Winthers, Bob Spott, "Cootie" Thompson, Don Scarff, Jim Bozek, Hal Oltmann, Al Hidy, Bill Easterly.

SWIMMING IS LOTS of fun, as these youngsters will testify, and there is no reason why anybody in our sun-blest area should not learn how to swim. These kiddies were pictured at a local pool just after a swimming lesson, and you can see, they don't look unhappy! They can look forward to a lifetime of enjoying one of summer's finest sports. —Sun photo by Richard Morse

Tennis Team Starts Play; Baseball League Race Hot

by GORDON McNULTY

The Lafayette Youth Association tennis team played its first tennis match last week against an Orinda group, and came away losing 13 to 2.

On the face of it the score appears to be lop-sided, but Dick Overstreet, young tennis professional who instructs our youngsters from Lafayette, had great praise for his students.

"IT MUST BE remembered," Overstreet pointed out, "that my team has never been in combat before, and many of the players held a tennis racket in their hands for the first time two weeks ago."

Those who represented Lafayette were Bob Graves, Jim and Ed Webster, Lee and Thayne Wright, Frank Lord, Len Ferro, Phil Smith, Bob Stoops, and John Donahoe. More matches are promised by Overstreet in the near future.

SPEAKING OF tennis, it is interesting to this writer, how well the association program is catching on. Evidence of this is by the number of students who are now signing up for the second time.

The students themselves, as well as their parents, have nothing but good words for Overstreet.

IN BASEBALL this week, the Senior League, 13 through 15 year olds, Sheppard's Chevron and Rose's Coffee Shop are tied at three wins each and one loss. Berkeley Farms shows a two-two record, and Chapel of the Flowers, four losses.

The top game of the week was the Sheppard win over the Coffee Shop, 1 to nothing. Ron Bath, pitcher for the winners, hurled the first no hit, no run, contest of the season, and also scored the winning run for his team.

UNFORTUNATELY the parents of players for the Berkeley Farms and Chapel clubs, were unable to witness the contests last Saturday, for the Lafayette fields were once again under water.

As a result the two games were played in Walnut Creek on the new Recreation Field. Water also washed out the scheduled game between Golden Bear and Gaston's which was scheduled at Mattson Field.

THE MAJOR LEAGUE race continues hot. The big upset of the week was the loss of Lafayette Rental and Hardware to Lafayette Pharmacy. The Rental team, considered by many to be the top club in the league, was thumped by a team that hadn't won a game, 17 to 5. As pointed out several weeks ago in this column, this sort of thing can happen, has happened and will continue to happen to young ball players.

Until these youngsters learn to take no one lightly, such upsets will occur. However, I am sure that Bill Seifkers, Pharmacy team, has learned a good lesson in that no one is invincible, and Bob Sanderson's Rental Club that you can't let down. This season has taught 30 boys more than baseball.

THE BIG CONTEST of the week, between La Fiesta Meats (6-0) and Sports and Games, (6-1) which was scheduled for Tuesday evening, had to be called off because of wet fields again. The game is rescheduled for Saturday morning 9 o'clock, Mattson Field.

In the Minor Leagues, the first spot continues to revolve around three clubs that have only lost one game apiece: Gay Davis' Lafayette Rental and Hardware; Bill Smith's Lafayette Pharmacy; and Bob Barcroft's Sun Valley Lumber team.

It is understood that Mario Maccario's Sports and Games team played off their tie and lost. The official word has not been received but if such is true, Pete Kosta's Jacuzzi Whirlpool Bath club is now a contender.

THE LEAGUE standings are:

Majors	Won	Lost
La Fiesta Meats	6	0
Sports & Games	5	1
Laf. Rental & Hardware	5	2
Sun Valley Lumber	4	2
Rheem Center Merch.	4	3
Gaston's Cleaners	4	3

Walnut Creeks Wins Twice In Junior Legion Games

Last Sunday found Walnut Creek defeating Concord, 5-1, in Junior Legion baseball, despite the fact Walnut Creek collected but two hits off the offerings of big right hander Ron Lichti.

Don Hopkins was on the mound for the winner and gave up five hits in notching his fifth straight win.

Four errors and wildness contributed to Lichti's downfall.

THREE WALKS and a wild pitch gave Walnut Creek a run in the first and they added three in the sixth on two errors, a single, fielders choice, a walk, and another wild pitch.

In the seventh Mark Bowen was safe on an error and scored on Bob McDougall's sacrifice.

Concord's run came in the third when Lichti, Paul Jones and Jim Liggett singled in order.

Walnut Creek copped a win on Saturday at San Pablo with Clark Ransome throwing a seven-hitter to win a close one, 4-3.

WALNUT CREEK picked up two runs in the second and two in the fifth while San Pablo collected single runs in the third, fifth and seventh.

San Pablo had seven hits and one error. Walnut Creek committed one bobble.

Richmond High lost Friday night when it dropped a decisive 16-8 decision to Harry Ells.

JACK CHAPMAN threw the win in a wild one which saw 16 hits, 15 errors and 18 bases on balls. Jerry Patterson and Dan Brisbin cracked out homers for the winners while Russ Wallace and Joe Knox did the same for the losers.

Richmond came back on Sunday to rack San Pablo 8-3, while outhitting them, 9-7. San Pablo's four errors contributed to their downfall, while Richmond collected two miscues of their own.

RODEO LOST a pair over the week end when they lost at home to El Cerrito, 3-1, and 9-8, 10-inning decision to DeAnza.

Lafayette's game with DeAnza, scheduled for Saturday, was postponed due to wet grounds, caused when the groundkeeper kept a sprinkler on the field all night.

The Lafayette club drew a league bye on Sunday and played a practice tilt which was won by Vallejo, 3-1.

Antioch Winner Over Lafayette

Will Pavers of Antioch are champions of the Walnut Creek Invitational Softball Tournament, and Lafayette took second place by winning the consolation game.

The championship went to the Pavers Saturday in Walnut Creek when they beat Napa Merchants, 5-4, and the Lafayette Merchants won out over Hayward, 5-3, to take second place.

Winning pitcher for the champions was Neal Looney, and the losing pitcher for Napa was Leroy Steck.

In the consolation game Lafayette piled up four runs in the first inning on singles by George Kallemeyer, Dick Gerner, Bob Weirich and Dale Halbert.

In the sixth inning Jim Teichera singled and scored on an error. Teichera's .625 average won him the tourney batting trophy. Jack Ogden was the winning pitcher.

In the semi-final Friday the Pavers barely got by Lafayette, 7-6.

Trailing by an 0-7 score in the sixth, Lafayette tallied five times on a walk to Bill Piona, a single by Ed Vick, a double by Bob Wierlich, and a fielder's choice and singles by Jim and Gus Teichera.

Danny O'Connor clouted out a homer in the seventh to bring Lafayette within one run of the eventual champions, but the rally died there.

Saturday's linescores:

Napa	003 001 0	4	7	3
Antioch	005 000 x	5	7	1

Steck and Fisher; Looney and Morse.

Hayward	001 001 1	3	11	3
Lafayette	400 011 x	5	7	2

Richardson and DeSilva; Ogden and Piona.

Friday's linescores:

Lafayette	000 005 1	6	9	2
Antioch	101 005 x	7	6	1

Vick and Weirich; Beaudien & Morse.

Hayward	000 000 0	0	4	2
Napa	101 000 x	2	4	0

Richardson, Freitas (4) and Walters; Lopez and Fisher.

Mary Tania Hudd Becomes Bride of Robert Selden

Mary Tania Hudd and Robert Wentworth Selden were married June 15 at a ceremony in the Mabel Shaw Bridges Hall of Music, Pomona College, Claremont.

Tania is the daughter of Mr. and Mrs. Stanley M. Hudds of Orinda and the parents of the bridegroom are Mr. and Mrs. Edward E. Selden of Phoenix, Ariz.

The bride was given in marriage by her father, and maid of honor was her sister, Joyce E. Hudd. Bridesmaids were Donna Hardesty, Gretchen Snyder, Jane Rogers and Kathie Selden, the bridegroom's sister.

The bride's princess gown of ivory silk had a floor length skirt and chapel train. The basque style bodice was embellished with alencon lace, bordering the neckline and short sleeves. Her illusion was attached to a tiara of pearls and she carried a bouquet of stephanotis and white orchids.

Mrs. Hudd's sheath dress was of beige silk, with which she wore a small flowered hat. A dress of dark green silk was worn by the bridegroom's mother, who used white accessories.

Best man was Donald Neeper, Monte Vista, Colo., and ushers were Daniel L. Crotty, San Marino; Harlan Epps, Oceanside; L. David Newman, Upland, and Bill D. Rhine, Monterey Park.

Vocal music for the ceremony, performed by the Rev. C. Ray Fowler of the Claremont Community Church, was sung by Miss Virginia Needles with Miss Ann Marie Kitchen as organist.

Tania graduated from Acalanes High School in 1954. At Pomona she majored in applied arts and was elected to Mortar Board.

The bridegroom majored in physics at college where he was president of Kappa Theta Epsilon, and was a cadet major in ROTC and band president.

The newlyweds will live in Madison, Wis., where both plan to take graduate work at the university.

Oil Group Meets

The July meeting of the East Contra Costa Oil Information Committee was held at the Brentwood Hotel, Brentwood, yesterday.

Panhellenic Rushing Files Are Now Ready

The Contra Costa Panhellenic Rushing files are now available to all Panhellenic sorority representatives and recommendations chairmen.

These files have been compiled to aid sorority alumnae in filling out the recommendation forms required by each sorority for fall rushing. Girls who graduated recently from local high schools and junior college in this area are listed in the files.

Girls listed are those planning to attend universities and colleges in the fall. The recommendations file is at the home of the chairman, Mrs. George Pickering, 848 Santa Maria Way, Lafayette.

Girls planning to transfer from a junior college to a university or college with national sororities may fill out a Panhellenic blank for rushing. These forms may be obtained by calling Mrs. Pickering.

Chairman for the event is Mrs. Douglas Page, aided by committee members Mesdames Jack Cusack, Alan Gittelsohn, Neil Falconer and Patrick Sullivan. Tickets at $1.50 per person will be sold at the door. Club members are invited to bring guests. Anyone desiring further information may obtain it by calling Mrs. Douglas Page.

New Ice Follies Stars Top Comics

Many of the champion skaters with Shipstads and Johnson all-new Ice Follies of 1958, now at San Francisco's Winterland, are talented comedians. Furthermore, these comical clowns are the "top bananas" of the ice comedy field, laugh-producers from all over the world.

Werner Groebli, better known as the popular Mr. Frick, is the dean of the arena world since he first joined the Shipstads and Johnson almost 20 years ago. This year Frick stars in "Alpine Antics," which puts him almost in his own backyard, as he was born in Basel, Switzerland.

M. A. Houser Honored for Long Service With Firm

Eleven veteran Bay Area employees of Safeway Stores received special awards at a luncheon honoring their 280 years of service held at the San Francisco Olympic Club Wednesday.

Quentin Reynolds, Safeway San Francisco division manager, made the presentations before an assembly of his staff and other employees. The service awards, for employees serving with the company for periods of 25 and 30 years, ranged from gold wrist watches to diamond set insignia.

Distinguished among the recipients of the awards was M. B. Houser, Oakland district manager, whose service with the company dates back to June 1, 1928.

Starting as a food clerk in one of the old type stores in Oregon he was promoted to store manager before he was 21.

Eight years later he was appointed manager of the Pendleton district. He later managed the Klamath Falls district, a territory so large he used his private plane when visiting stores.

Prior to his appointment as Oakland district manager in 1957, Houser served in a number of other executive capacities. He received a diamond set gold tie-bar from Reynolds.

Houser lives at 3417 Blackhawk road in Lafayette with his wife, Marjorie.

HOW YOU CAN SAVE $600.00 PER YEAR ON YOUR FAMILY BUDGET!

More and more Contra Costa families every day are joining Bill Williamson's MINIMAX Wholesale Buying Service, and saving $600.00 per year or more by buying food, drug items, and appliances at true wholesale prices.

Almost all family foods are included in the MINIMAX Wholesale Buying Service—nationally-famous brands like Del Monte peaches, Campbell's soups, Best Foods mayonnaise, and most of the other top national brand names.

The most popular drug items like Bayer's Aspirin, Gillette razor blades, and top brands of toothpaste, hair spray, shampoo, lotions, and skin creams are also available through MINIMAX at wholesale prices.

The best-known names in refrigerators, ranges, automatic washers, and dishwashers are also available to MINIMAX members at a saving of as much as several hundred dollars on a big ticket appliance at wholesale prices.

The detailed savings your family can make through MINIMAX Wholesale Buying Service amount to $350.00 per year on foods, $100.00 a year on drug items and cosmetics, $100.00 a year on appliances, and $50.00 a year on mileage, or a total of $600.00 per year.

HOW A MINIMAX MEMBER SAVES $350.00 PER YEAR ON FOOD

Families who eat more than the base essential foods find their MINIMAX savings often run $10.00 per week, but Williamson prefers to use the more conservative figure of a $7.00 per week saving. Bill Williamson has a top reputation with the Better Business Bureau for integrity and ability in selling food for the past 23 years in the Walnut Creek area.

Using Williamson's low average saving of $7.00 per week on food at wholesale MINIMAX prices, this amounts to more than $350.00 per year on basic family foods like meats, vegetables, and other grocery items. Top brands of frozen, canned, and packaged meats, vegetables, fruits, and desserts like ice cream are available to MINIMAX members at genuine wholesale prices, plus small membership fees.

HOW A MINIMAX MEMBER SAVES $250.00 PER YEAR ON OTHER ITEMS

The MINIMAX Superette has top brands of drug items for members at wholesale prices—a saving of from 10% to 25%, and even as much as 50% on some famous brands. Williamson figures your total saving on drug items at wholesale prices is $100.00 per year.

On appliances he figures the average family invests $300.00 per year, and MINIMAX wholesale appliance prices saves a family ⅓ of this cost, or $100.00 per year.

Many housewives figure they save $50.00 a year on car mileage because they do not have to shop so often, and because MINIMAX delivers large purchases to the homes of MINIMAX Wholesale Buying Service members.

You can find out how your family can save $600.00 per year as a MINIMAX Wholesale Buying Service member by phoning YEllowstone 4-4478 day or night, or by stopping in at the MINIMAX packing plant at 1916 East Street, Walnut Creek, or by filling out and mailing the coupon below. 'Safety Car' on Display In Front of Capwell's

Capwell's Department store in Walnut Creek will sponsor the first East Bay appearance of the Cornell-Liberty Survival Car.

This vehicle, built by Cornell Aeronautical Laboratories under the supervision of The Liberty Mutual Insurance Company, is the world's first automobile to be built with the safety of the occupants as the sole design objective.

The Survival Car, scheduled to be shown today from noon to 9:30 p.m. in front of the Broadway store represents the culmination of a 5-year research program carried out by the Safety Design Research Department of the Cornell Laboratory at Buffalo, New York.

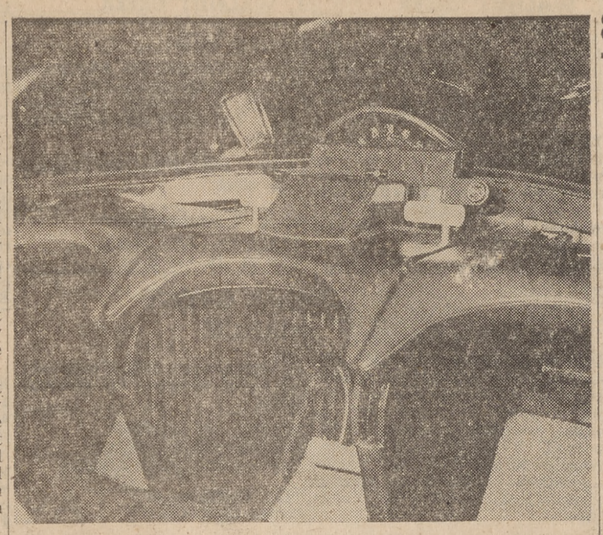
From the outside the car resembles a present day American automobile, but inside it is radically different. More than 50 unique features have been designed and built into the car to prevent injury resulting from crash or collision.

Among those features are replacement of the steering wheel by a lever-controlled, hydraulically operated steering mechanism; the driver's seat located in the car's center; a rear-facing seat for a child; doors suggestive of those on a telephone booth which are hinged at the center; wrap-around bumpers, seat belts, bucket seats and 180 degree curvature wildshield.

The second showing will be at Capwell's - Hayward tomorrow from noon to 5:30 p.m. in the Street Level parking lot.

The car will next be shown at Capwell's - Oakland on Monday from 9:30 a.m. to 9 p.m. in the Men's Suit Dept. on the Street Floor. Capwell's - El Cerrito will sponsor the fourth and final showing next Friday from noon to 9:30 p.m. in front of the main entrance.

Representatives of Liberty Mutual will be on hand at the showings to answer customer's questions and to distribute reprints of an informative magazine article about the car. In addition, a tape recorder will explain the safety features of the car.



INTERIOR of the Cornell-Liberty Survival Car showing the padded dashboard and driver's seat. The replacement of the conventional steering wheel by a lever-controlled mechanism is expected to greatly reduce injury resulting from collision. The car will be on display at Capwell's, Walnut Creek, today from noon to 9:30 p.m.

Mrs. Hellum to SF Conference

County Librarian Bertha D. Hellum is attending the 77th annual conference of the American Library Association held this week in San Francisco. Mrs. Hellum spoke at three programs during the conference.

Native Sons, Daughters to Install Officers

Joint installation ceremonies will be held for new officers of Las Amigas Parlor 311, Native Daughters of the Golden West, and Walnut Creek Parlor 315, Native Sons of the Golden West, at the Walnut Creek Women's Clubhouse at 8 p.m. Wednesday.

Mesdame Gerald Hogan, Deputy Grand President from Sterling Parlor 147, Pittsburg, will be installing officer for the Native Daughters.

John Olsson from Mt. Diablo Parlor 101, Martinez, will be installing officer for the Native Sons.

New officers for the Native Daughters are Mesdames Mary Ann Duarte, pres.; Eugene Larson, past pres.; Margaret Bragga, first v.p.; E. W. Carey, second v.p.; Howard Knabenshuh, third v.p.; Mel Higgins, marshal; W. T. Hughes, sec.; G. W. Stubblefield, fin. sec.; Norman Beeston, treas.; L. H. Weill, Robt. Kleckner and Maria Triguerra, trustees; Vernon Cahill and Wm Moeller, sentinels.

New officers for the Native Sons are Ken Powlesland, pres.; Norman Fratzke, past pres.; Don Williams, first v.p.; Roy Hammond, second v.p.; Howard Knabenshuh, third v.p.; George Burnett, sec.; Ray Haagensen, treas.; Richard Amaro and Robert Wehe, sentinels; Mel Higgins, marshal; Burke Woodward, Vince Irish and E. Conduit Pipe Stolen

The sheriff's office has been informed of the theft of $300 worth of galvanized electrical conduit pipe from the site of the Hagstrom store being erected on the Orinda Highway.

The theft was reported by Carl H. Pederson, Concord, electrical contractor.

80 Mile Pack Trip Planned By Scout Group

An 80-mile back-pack expedition in the high Sierra begins tomorrow for a group of Explorers from Mt. Diablo Boy Scout Council. Under the leadership of Robert Richardson, 1869 Thousand Oaks, Berkeley, Advisor Troop 22, and veteran of many years on the Camp Wolfeboro staff, the Explorers will leave Camp Bray, near Pinecrest, early Sunday morning for Kennedy Meadows, where the trek begins.

Included from this area are Jim and Randall Cramer, 50 Los Alamos Court, Danville and Charles Manning, Robert Mussano, Casey Noel and Tom Ortez, all of Lafayette.

By Sunday evening they expect to reach Emigrant Meadow, after a steep 12 mile hike. On Monday they will proceed to Wilmer Lake. Tuesday will see them covering the greatest distance, 16 miles to Benson Lake, after which they will take it easy the next day, going to Rodgers Lake three miles away.

Thursday the group will push on to Matterhorn Canyon, a distance of about 12 miles; Friday to Glen Aulin, 14 miles; and on Saturday to Soda Spring from where they will be transported back to Camp Bray for clean-up and to meet their parents that evening or Sunday morning.

All members of the expedition will qualify for the National Councils' 50 Miler Award, a recognition given in the interest of promoting physical fitness, which is part of the basic program of the movement.

Sheriff's Dept. Detective is New Lieutenant

Leland Gallamore, a veteran of 11 years of county service, was promoted from detective to lieutenant of the Contra Costa County Sheriff's Department, it was announced.

Gallamore will assume command of the patrol division, replacing Lt. Robert Fischer, who will take over the penal division.

Gallamore has handled criminal investigation and identification for the department for 16 months. He placed second in a recent civil service examination. First was Harry Ramsey, chief investigator for the district attorney's office.

Gallamore, his wife and two children live in Martinez.

Fists, Cars Battle Alike On Speedway

By JEAN McGUIRE

Tim Kelly, that up and coming young leadfoot from Pacheco, won the first heat last Saturday night at Contra Costa Speedway, and at the same time won his first race of the season.

Kelly, who drives the white and red Concord Auto Supply Special, number 44, has been doing very well starting with his first appearance about a month ago, and his fans have been anticipating this win ever since.

Kenny Thompson, number 37, of Concord, was also in the first heat, but a wreck put him out of commission before he could finish.

IN THE SECOND heat Concord's Hugh Payne, in the Dyas Bros. Richfield Special number 36, took second position, with owner driver, Jack Huddleston, number 25, also of Concord, coming in fifth.

The Semi-Main was an unlucky event for the local boys. Tim Kelly, Hugh Payne, Jack Huddleston, Jerry Jordan and Russ Strock all qualified for this race, but Strock was the only one that was able to finish. The rest were forced out by engine trouble of one sort or another.

Incidently, Jerry Jordan is a new pilot hailing from Martinez and driving car number 73. It's good to see more and more new local talent appearing at the speedway.

Tempers really flared during the main event last Saturday night, which for the fourth time was taken by Leroy Geving, with a major dispute developing between Napa's Gene Dudley and Julian Castro of San Francisco. A fistfight occurred on the infield, bringing with it a $25 fine for both of the combatants. Both of the drivers will be allowed to race tomorrow night, contrary to previous reports, but feeling runs high even among the spectators over this matter.

WHEN THE RACE was continued, sides were taken in the stands, and the crowd seemed to go wild as one of the drivers jockeyed for a position to get the other one. Even this reporter finds it hard to maintain an unbiased opinion of the situation, but you can be sure I'll be out at the track early enough to get a good seat tomorrow night, as I have a feeling the crowd will be larger than usual.

Secretaries' New Officers Are Installed

The Diablo Vista Chapter of The National Secretaries Association held its annual installation meeting recently in Walnut Creek. Avonna Simpson was installed for her second term as president.

Mistress of ceremonies was Ann B. Turner, past-president of Lake Merritt Chapter. She also officiated as the installing officer.

Serving with Mrs. Simpson are Muriel Cowell, first vice-president; Chris Rodgers, second vice-president; Audrey Williams, treasurer and Lucille Clark, secretary.

The candle-light initiation ceremonies were under the direction of Mrs. Dorothy Danna, president of Lake Merritt Chapter. The two initiates were Dorothy Blackard and Connie Foley.

The featured speaker for the evening was Alice Holland, president of Berkeley Chapter.

Arrangements for the dinner meeting were handled by Joy Tara, Florence Keller and Muriel Cowell.

The Diablo Vista Chapter is starting its second year, and membership is open to all qualified secretaries residing in the Walnut Creek-Martinez and Concord areas.

Final Games May Decide Champion For Legion Ball

Junior Legion Baseball may continue to next week's final games before the winner is decided.

It's possible that a playoff may be necessary to decide the champion. Currently Richmond, Walnut Creek and El Cerrito share the top spot.

Richmond has the edge this week end as they play one game—facing Concord Saturday and drawing a bye on Sunday.

El Cerrito and Walnut Creek cross bats in a crucial on Saturday—a loss here will really hurt where it counts most—in the percentage coulmn.

The complete schedule for the week end, with a 2 p.m. starting time for all games, is as follows:

SATURDAY
Lafayette at Harry Ells
El Cerrito at Walnut Creek
De Anza at San Pablo
Richmond at Concord
Rodeo, bye

SUNDAY
Harry Ells at Rodeo
Walnut Creek at Lafayette
Concord at DeAnza
San Pablo at El Cerrito
Richmond, bye

M.H. LECT AT WORK

If A Beetle Answers, Hang Up, It Says Here

company cars, that is—be on the lookout for 'The Beetle," the tiniest criminal to hit these parts in years. Listen carefully to this official descripiton:

One-thirtieth of an inch in diameter, one-tenth of an inch long; blackish-brown color. Favorite dish: telephone cable. That is all."

YOU MAY NEVER hear this broadcast over the shortwave radio, but according to Howard Greenhalgh, Walnut Creek, manager for Pacific telephone, "The Beetle" is a desperado to be reckoned with.

Its true name is Micracis Hirellus Lect, alias "shrub bark beetle." Telephone men call it the "cable boring beetle."

Its favorite trick is to chew a hole in the bottom of a lead or plastic cable sheath and crawl inside where it's cozy and warm.

THIS IS FINE for the beetle's peace of mind, but it causes minute, hard-to-find leaks in the cable and sometimes results in line trouble during the rainy season.

However, the felon's days are numbered. After much experimentation, phone company trouble shooters have come up with a resinous coating containing the powerful insecticide, Dieldrin. Tests indicate the mixture, painted on cables, retains its potent beetle-killing properties for several years in all kinds of weather.

Sale to Run All Night at Safeway

The Lafayette Safeway store is conducting a 58-hour continuous "Outdoor Living Jamboree," according to manager Marvin Turner.

The day-and-night sale, which started yesterday, will continue are patio accessories, barbetoday and tomorrow.

Featured at special low prices will be patio accessories, barbecue equipment, and other items which cater to the demands of Sunshine Valley outdoor living enthusiasts.

The event will be highlighted by demonstrations and free samplings of such items as Frozen Juice Sticks, Pepsi-Cola, Chris and Pitts Barbecue Sauce, and Hawaiian Punch.

Free balloons and merry-go-round rides will entertain the kiddies while Mom and Dad browse.

"Even though the store proper closes at the regular closing time, the parking lot sale will continue through the night for the benefit of late shoppers," Turner said.

Nation's Top Teams Play St. Mary's Hoop Squad

An Eastern road trip highlights the 1958-59 Galloping Gael basketball schedule released by Coach Jim Weaver.

The 1958 Christmas season will find the Saint Mary's team on its way to the Evansville tournament, stopping off in Utah to play the University of Utah, Utah State and Brigham Young. At the tournament, the Gaels tackle the nationally rated Evansville five, Washington of St. Louis and the sleeper team, Tennessee Tech.

Prior to all this, and with their eyes fixed firmly on the WCAC crown worn by USF, "Weaver's Weavers" will test their strength against such outstanding coast teams as UCLA, Stanford and California, before tackling their fellow independents.

With two games still to be set, the schedule thus far:

Dec. 1, Sacramento State at Sacramento; Dec. 5, UCLA at S.F. Cow Palace; Dec. 6, Stanford at S.F. Cow Palace; Dec. 9, California at Berkeley; Dec. 17, Redlands at Saint Mary's.

*West Coast Athletic Conference game.

Doctor Advises Vaccination of Family Dogs

"If your dog was among the 4178 immunized at county clinics conducted during June, or was immunized by your own veterinarian, you can breathe a sigh of relief," Dr. Glen Kent, chief assistant health Officer, said today.

Chances of protected pets bringing rabies to your families from an accidental encounter with a rabid are skunk are slim.

Reports of rabies in our skunk population are widespread throughout the county and the possiblility of these animals biting man's best friend are not unlikely.

Dr. Kent estimated that the approximately 10,000 unimmunized dogs in the county still pose a serious threat to the health of our citizens. He urged all dog owners to have their dogs immunized by their own veterinarian immediately.

CONTROL

"A well administered driver control program that takes quick action against traffic violators is one of the best ways to get them off our highways," says E. R. Klamm, an accident prevention director. "Connecticut's method of suspending licenses for 30 days for first speeding offenses—supported by the concerted effort of all official agencies—is an ideal approach to this serious problem."

Tournament Play Begins In Softball

Round robin play in the tenth annual Contra Costa District Amateur Softball Association tournament began Wednesday at Pittsburg Municipal Park.

Championship and consolation games will be held July 26, with team trophies and individual awards to be presented that evening.

LAFAYETTE MERCHANTS the former Rheem Center team, met Campbell Chevrolet, Antioch, Wednesday night, and Billeci Sports Shop of Pittsburg played UC Mayflower Express.

Thursday games were between Concord Playtime Club and Serpa Buick of Martinez, and between Will Pavers of Antioch and Concord Merchants.

Tonight Concord Redmen play Crown Zellerbach of Anitoch at 7:30 p.m. and Dow AC meets Concord Shopping Center at 9 p.m.

SCHEDULED FOR 7:30 p.m. tomorrow are games between Cataline Builders of Pittsburg and the winner of the Lafayette-Campbell Chevrolet team. At 9 p.m., winners of the second and third games play.

Monday at 7:30 p.m. winners of games four and five play, and at 9 p.m. Apex Manufacturing meets the winner of game six.

Problems of Handicapped Are Discussed

Twenty representatives of Contra Costa County health agencies and organizations for parents and teachers of handicapped children met yesterday at the Easter Seal Center, 240 South Sixth Street, Richmond. They evaluated the Easter Seal Sheltered Workshop in relation to its contribution toward meeting the needs of the handicapped of the community.

Richard T. Van Metre, Jr., executive director of the Easter Seal Society for Crippled Children and Adults of Contra Costa County, presented a report on Easter Seal finances.

A presentation of the accomplishments of the Sheltered Workshop during its first year of operation interms of human values was given by Mrs. Wilson Pritchett, member of the case committee of the Easter Seal Society.

Kids And Pets To Parade Along Broadway Friday

Kids and their pets—of any and all varieties—will promenade in the Broadway-Pard Pet Parade Friday at Broadway Shopping Center in Walnut Creek.

No pedigrees are necessary. But all dogs, said George Webster, chairman of Broadway Merchants Association, must be on leash.

Parade time is 10 a.m., and youngsters were advised to assemble at 10 a.m. at the Safeway Store's parking lot at Newell Avenue and Main Street.

YOUNGSTERS WILL BE competing for approximately $200 in prizes, including roller skates, baseball gloves, watches, flashlights, telescopes, gun and holster sets, flash camera outfits and merchandise certificates.

Webster said awards will be made for the most comically dressed pet, the most unusual pet, the largest pet, the smallest, and the one with the smallest ears.

Tape measures will be used to determine whose dog has the longest tail, the shortest tail, the longest ears, and the longest and shortest noses. Their owners will receive prizes.

THERE WILL BE NO cost of any kind to youngsters entering the parade, Webster said, and all will get free refreshments.

They will include Bireley's beverages, cotton candy by Spreckels Sugar, popcorn provided by Swift's Allsweet, and parade hats.

All children are invited to take part. If they don't have pets, they can watch the parade. The event is co-sponsored by Park dog food products.

The parade route will be north along Broadway to the judging area in front of the Lucky Store.

'Shopeasy' is Biggest Bargain Event in History

"Operation Shopeasy" probably the biggest bargain and promotion event in Walnut Creek's history, will end this Saturday.

Walnut Creek merchants are offering some of the top sales bargains and values of the year for the event, which has commended top interest in the trading area.

Some 75,000 special "Operation Shopeasy brochures have been received by sales personnel in the city.

The Walnut Creek Area Chamber of Commerce today issued a last reminder to local stores that if they do not have their promotion badges, they should call the Chamber business office and a supply can be obtained.

Chamber officials are striving to have all sales personnel in Walnut Creek stores wearing the badges during the big sales event.

Colorful street flags proclaiming the LMP "Operation Shopeasy" were placed throughout the business districts early last week, adding to the interest being shown in the week long promotion.

Construction in WC Totals Each Year in Millions

The pulse of a community is often reflected in the amount of construction that goes on within its borders, and that is especially true of Walnut Creek.

Records of building permits issued at the Walnut Creek city hall show that construction of new homes, and buildings was valued at close to $4 millions for each of the last three years!

The biggest year so far was 1956, when building permits were issued totaling $3,888,301.

Last year, the total was almost as high—$3,719,396.

The record for the previous years are as follows:

1951	$ 821,569
1952	2,894,038
1953	981,441
1954	1,086,538
1955	3,324,032

Broadway Shopping Center - Walnut Creek

Free Haywagon Rides for The Kids This Saturday

The old and the new will be in sharp contrast Saturday when a horse-drawn haywagon rolls along Broadway Shopping Center's modern streets.

Youngsters will be given rides free of charge, according to George Webster, chairman of the Broadway Merchants Association.

He pointed out that a haywagon ride will be a real novelty for most of the youngsters — something not even most of their parents are young enough to remember.

Children will be able to climb aboard the wagon near the Lucky Store, and the wagon will return there at the end of each trip.

Plenty of 'Zing!' in Men's Bright, New Sportshirts

Although most other items of male apparel have been toned down in keeping with the trend toward a flattering, conservative neatness, the male animal continues to want his leisure shirts styled with plenty of zing.

And zing, reports the American Institute of Men's and Boys' Wear, is exactly what new sports shirts have in a big, bright, bold and dynamic way.

VISITORS at the Broadway Shopping Center, Walnut Creek, have been amazed at the sprightliness of the newest creations in shirtwear! And the variety is tremendous!

Zany geometrics, bold batiks, king-size patterns with contrasting collar and cuff trims, fancy pipings and intricate paisleys in a raucous holiday mood are a welcome change from the more subdued workaday garb.

The popular Caribbean theme is executed in many of these handsome shirts, sometimes in motif, sometimes in colors keyed to the deep blue-green waters, the greens of sub-tropical vegetation, and the reds, golds, whites and orange that are so much a part of those colorful islands.

Many of these shades are accented by touches of "Buccaneer" black.

MANY OF THE new sport shirts are made in the popular pull-over styles that can be worn either tucked in slacks or shorts, or worn in the casual "outboard" style. Knit sport shirts and basque shirts are also riding the crest of the fashion wave.

Collar styles are almost as varied as the designs. Some of the best are short point spreads, button-downs, deep-cut Continentals, and knit collars on cut-and-sewn bodies.

Fellows who want traditional patterns in their sport shirts can find plenty of gingham checks, plaids, stripes and solid shades.

Easy-care shorts are among the most wanted—a boon to the housewife as well as to the vacationing traveler.

Most Broadway Stores Open 2 Nights Each Week

Most stores in Broadway, Walnut Creek, are open until 9 p.m., every Thursday and Friday night for the convenience of shoppers. A few remain open until 9:30.

Families have found that regular "outings" to Broadway are fun, and many of them make it a weekly habit.

George Webster, Broadway Merchant's Association chairman, said the decision to keep Broadway open two nights, instead of one night, resulted from numerous requests by shoppers.

here for their refreshment and they can have full dinners if they desire."

Comptons has a cafeteria adjacent to Capwell's and Goldmans has an attractive snack bar, with sandwiches and other choices. There is also Elliott's Coffee Shop.

During the summer and warm weather, air conditioning is provided in all Broadway stores.

He said, "They love to shop and browse about in the cool of the evening. We have the facilities

Men's Clothes Help Make A Delightful Vacation

Every man is a young man when he begins planning his vacation. Sometimes the plan is very fancy, indeed—a trip abroad for all the family, for example. Sometimes the plan is simple—such as long weekends in the neighboring countryside. Fancy or simple, the right clothes are important for the fullest enjoyment of every vacationing hour of every vacationing day.

Selection of vacation apparel is influenced by three things—length of trip, destination, and mode of travel.

GOING BY CAR? You can be a bit flexible about clothes. When in doubt, take it along. Going by plane? The extras may have to be left behind, if you are going to stay within the 44-pound domestic baggage limit, or the 66-pound overseas limit. Most travelers start off within the limit but come loaded with vacation purchases that carry them well above the limit.

One of the great modern blessings to traveling men, but especially the air traveler, is the wash-wear feature of so many vacation clothes. The fact that he can rinse suits, shirts, underwear, pajamas and raincoats in his hotel room at night and worn without much ironing, reduces automatically the amount of clothing he has to pack.

One of the nation's outstanding fashion authorities has demonstrated that it is possible for a man to pack enough for a three week trip overseas — including clothes for formal evening wear—in a bag just slightly larger than an attache case.

TRAVEL BY TRAIN permits a larger wardrobe, and travel by ship demands more variety and no packing problem at all. The tendency, however, to "travel light" is more and more pronounced.

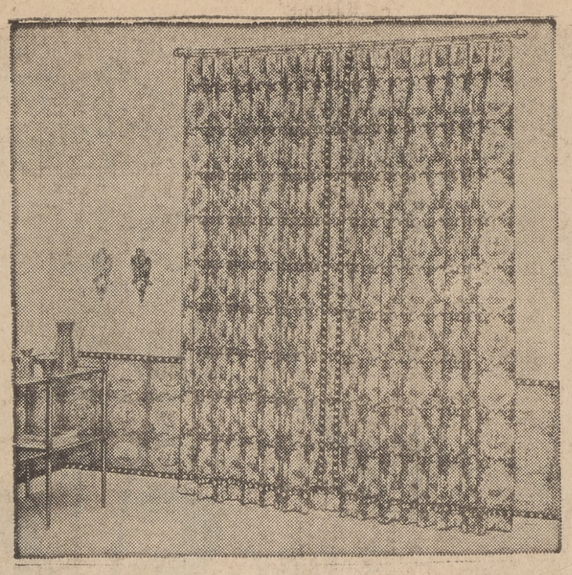
The American Institute of Men's and Boys' Wear suggests this basic wardrobe for a two-week trip to a summer resort, with special sports being given special consideration: at least three pairs of slacks, one or two pairs of walk shorts, one sport shirt for each two days of the trip, three or four white dress shirts, two sport jackets, a zippered outer-jacket for cool mornings and evenings, a crew-neck or low-button cardigan sweater, underwear, socks, handkerchiefs, neckties, belts and jewelry.

MANY RESORTS have dressy Saturday night dances, and for these a new summer formal is required. These new outfits make sprucing up a pleasure, for they are as comfortable as sports jacket and slacks.

A versatile fashion item is the blazer, shown this year in blue, dark gray and black. During the day they can be "dressed down" when worn with sports shirts and walk shorts, while in the evening they help to dress a man up when combined with a short and tie, and white or medium colored-slacks.

A straw hat is a valuable addition to a travel kit. The new crushable straws can be rolled up and packed in a grip. Many are showerproof. Featherweight travel felts and cloth caps have always been favorites of the seasoned traveler.

Active sportswear should be chosen in quantities relative to their probable use. More or less basic is swimwear, even if your resort is far from the sea. Only slightly less important beside the sea or swimming pool, is the beach robe jacket or cabana set for after swimming.



COLONIAL-MOOD decorating scheme uses Cohama's companion fabric and wallpaper. Design shows early American scenes. Decorators from Sterling Furniture Company are enthusiastic about Cohama's coordinated lines.

"Shopeasy" Offers Values Of a Lifetime in WC

"The values of a lifetime are guaranteed by happy Walnut Creek merchants during "Operation Shopeasy" which has been delighting shoppers this week," according to George Webster, Walnut Creek Area Chamber of Commerce director and Broadway Shopping Center Association chairman.

"You just can't afford to miss this one! I have never seen bigger and better bargains, and I have been in the business for a long time!" Webster said.

"Our merchants are making sure that potential new customers coming from a large area for perhaps the first time, will remember the fine offerings and low prices. That's good business, believe me!" he declared.

"We can snap our fingers at traffic worries now that the traffic circulation has been improved one hundred per cent by the new street program—our Little Master Plan—just completed."

Webster added, "The newcomers and the faithful buyers, of which we have tens of thousands, will all be surprised at what our big celebration means to them in savings. They will have to see it for themselves."

Arson Case Trial Delay Is Granted

MARTINEZ — Selection of a trial date for Earl R. McCarthy, 53, who has pleaded innocent to a charge of setting fire to the M. H. Stanley Elementary School, Lafayette, has been postponed until July 28.

Postponement was granted by Superior Judge Norman A. Gregg after the defense gave notice that a writ would be sought in the District Court of Appeal.

Judge Gregg refused to permit McCartthy's attorney to inspect a statement the district attorney's office said was obtained from McCarthy, who is free on bail.

Back From Trip

Mrs. Charles A. Mendenhall, 3523 Golden Gate Way, has returned from a vacation trip to Seattle with friends, Mr. and Mrs. E. P. Denham of 828 Rosedale Street.

Shoes Place Big Accent On Leather

Women's shoes come straight to the point this spring in simple, straight-sided shapes that depend largely on the beauty of the leather for their distinction. Thus they complement new fashions in clothing, which emphasize line, fabric and color.

Popular choices include sleek, shiny smooth leathers; highly-polished textured leathers with fine, light grains; bright-colored suedes; and patents in both black and bright colors — especially a brilliant, shiny red. Beautiful aniline leather, showing the natural markings of the skin, is often glazed or given a matte finish.

DAYTIME SHOES are cut high and straight with throats either straight or "V" shaped. Tailored pumps have new trims such as flat bows of real gold or silver, and unvarnished wood buttons.

In spectators the second color or texture of leather is applied in new and fancy shapes.

There are straps galore on all kinds of shoes: T-straps instep straps, double straps and shaped straps.

More low, curvy heels are seen on daytime shoes.

DRESS-UP SHOES, also simple in shape, boast imaginative trim ranging from large, life-like daisies and anemones to bunches of cherries (these on red patent) to jeweled wishbones.

Colors are bright, with a new bright navy, bright red and an electric blue leading the list. Beige is most often used in a light "oyster" shade, but very dark beige (almost a light brown) is also important.

Strong, bright pastels include petunia, a purple pink, another "hot" pink called "Caribbean," coral, raspberry and pueblo yellow.

White appears early, alone and in combinations with other colors.

Many shoes boast an array of colors in stripes or printed designs.

Constant Growth, New Look Is Typical of Broadway

The growth of Broadway Shopping Center in Walnut Creek, already considered one of the best of its type in Northern California, never ceases, George Webster, chairman of the Broadway Merchants Association, said today.

Consider the opening planned for Davidson and Licht, which will take place soon at the former location of the cleaning establishment. Davidson and Licht is a well-known East Bay jewelry firm, known for its quality offerings, with stores in Oakland and Hayward.

ALSO, CONSTRUCTION has started on the new, carefully-planned McDonnell Nursery at Nursery Lane and East Newell, according to Miss Edith Apgar of MacDonald Products Company, developers and owners of Broadway.

She said the work should be completed before November, and the old nursery location will become additional parking for Broadway shoppers.

A new and lovely "face" will be shown by Elsie's Sportswear at its new location on Broadway Plaza, where the Anita Shop used to be.

Elsie's will be open in a few weeks, and will present the latest in sports clothing.

And the Photoette Camera Shop recently opened in the former location of the Washette.

"A general brightening up is an ever-constant process at Broadway, evidenced by the giant new sign, new planting, new parking and new streets, as a result of rearrangement, and the Little Master Plan street program."

Miss Apgar said, "Broadway is known as one of the finest shopping centers in California, and we are constantly striving to improve it. This is one way we have of showing our gratitude for the tremendous support and patronage of the residents."

CARRYING capacity and good looks are combined in handbag with two outside pockets, compartment and pockets inside. Many similar styles are available at Goldmans - Walnut Creek.

Huge New Sign Guides Crowds To Broadway

A giant sign with the word "BROADWAY" in sparkling, neon-outlined letters is ready to beam the message of better shopping values for many miles and is expected to be completed next week, according to Miss Edith Apgar of MacDonald Products Co.

Site of the new sign is at North Broadway and Mt. Diablo on the north side of the Lucky parking lot.

The sign costs $12,000, Miss Apgar said.

The pillars supporting the sign, are 37 feet high. The sign itself is 5 feet high and 24½ feet wide.

When work on the sign is completed, probably next week, it will revolve so that it can be seen from any point within a wide radius.

Trees Shrubs Are Planted In Broadway

The planting of beautiful trees and groundcover was completed last week by MacDonald Products Company in its Broadway Shopping Center.

Mel Brown of MacDonald Products said that liquid amber and pin oak trees, and silverbush groundcover have been planted.

The arrangement was recommended after careful study by City of Walnut Creek experts, and the city will continue planting on North Broadway, recently opened.

Planting by MacDonald Products is being accomplished on both sides of South Broadway, from Broadway Plaza to Mt. Diablo Boulevard and east along Mt. Diablo to the railroad tracks.

Brown said, "We want Broadway to be a pleasant place to shop, and we think we are doing a good job along that line."

"Whatever IT is, Broadway has IT, for boys, girls, men and women, to fill a one-room cabin or a mansion," Webster continued enthusiastically.

El Cerrito Capwell's Store Grand Opening Is Held

The grand opening of the giant Capwell's Store in El Cerrito was held last week.

The store is located in the El Cerrito Plaza, once a part of the historic Rancho San Pablo. The 15-acre site was purchased last year by the Emporium-Capwell Company.

Construction began soon after, and was completed in 13 months.

Being the largest department store in Contra Costa County, it follows the lead established by Capwell's-Oakland which is the largest store in the East Bay, and second only to her across-the-Bay sister. The Emporium in San Francisco is the largest in Northern California. Capwell's-Walnut Creek was the first in their expansion program.

The El Cerrito store, has some 232,000 square feet, and 146,000 square feet of selling space.

The building itself stands on 2¼ acres.

Because the new Capwell's-El Cerrito is centrally located, residents of the immediate area including Richmond Annex, Richmond, Albany, and Berkeley need only travel the main thoroughfare, San Pablo Avenue, to reach the new store.

From San Pablo, El Sobrante, Crockett, Rodeo, Hercules, and Pinole, shoppers will find it easy to take the Eastshore Freeway down to the Carlson Boulevard turnoff, to San Pablo Avenue and the El Cerrito Plaza.

Awards Await Finders Of Lucky Suns In Paper

BACK interest highlights this lovely blue negligee with lace yoke, puffed sleeves.

A Lucky Sun on page one of your Sun Shopping News means that you are entitled to a free year's subscription to the Sun newspaper of your choice—The Walnut Creek Sun, the Lafayette Sun, the Orinda Sun, or the Pleasant Hill Sun.

A Lucky Sun is a bright yellow sticker affixed to the top of the page. If there are two of them, that's a Double Lucky Sun, and is worth $5 in cash.

To collect either the free subscription or cash, send that portion of the paper containing the Lucky Sun to the Lafayette Sun, P.O. Box 375, Lafayette, or the Walnut Creek Sun, 1320 Locust Sttreet, Walnut Creek.

Last week no one turned in a Double Lucky Sun for the $5 award.

Those who won free subscriptions were Robert Luserke, Walnut Creek; Clement O. Ford, Orinda and R. R. Girdvain, Concord.

Meeting Of Bankers

Thomas E. Latimer, assistant vice president and manager of First Western Bank and Trust Company's Lafayette office, was among the 17 office managers who attended the regional branch managers meeting at the statewide bank's Oakland central office July 2, according to James P. Kerman, vice president.

White Returns

Stanford W. White, certified public accountant with offices in Lafayette, returned recently from the Sixteenth Annual Convention of the Society of California Accountants. The convention was held at Disneyland with convention headquarters in the Disneyland Hotel.

Williamson Appointed Second Lieutenant

Sixty-one Stanford University students completed their Army Reserves Officers Training Corps courses and were commissioned in the U.S. Army Reserve this month.

Among those appointed Second Lieutenant in the United States Army Reserve was Raymond K. Williamson, son of Mr. and Mrs. Raymond W. Williamson, 1014 Hampton Road. Lt. Williamson majored in economics and received his commission in the artillery.
